DISCOVERY

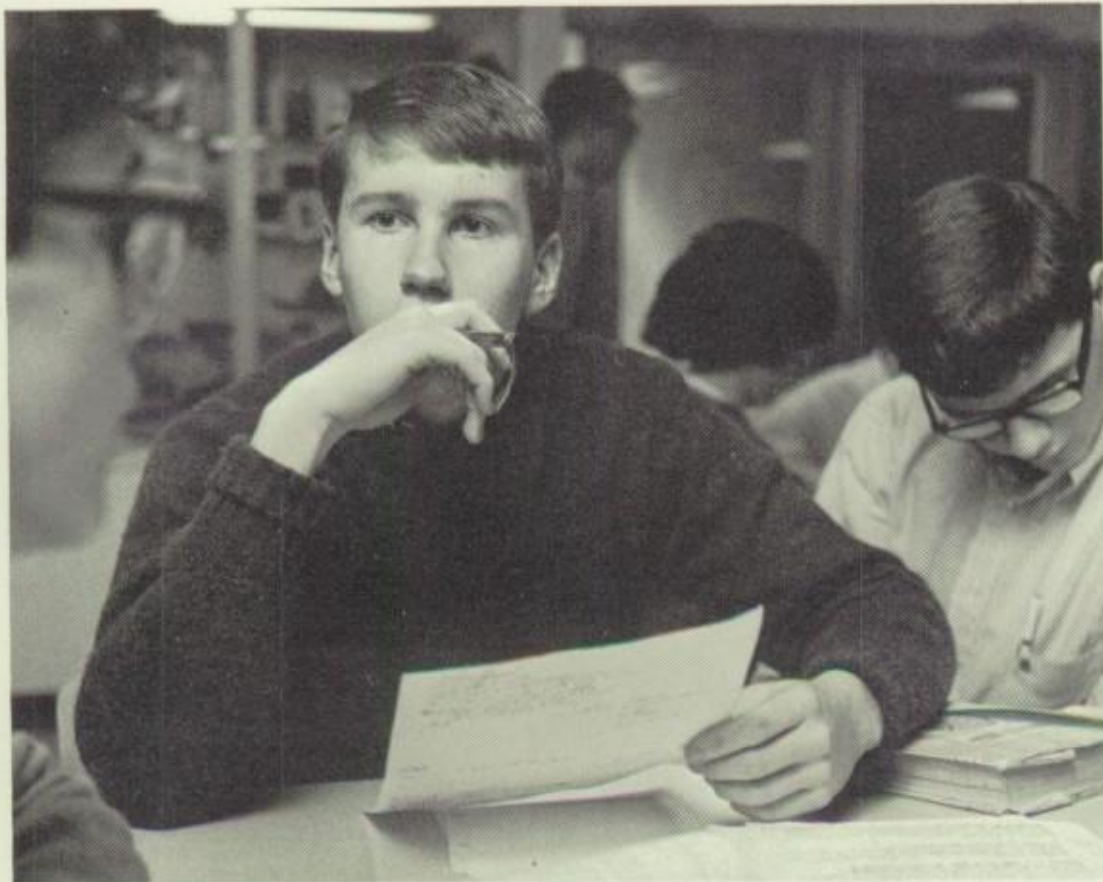

1965

Learning is discovery. It may be carried on in any type of building—from a small red schoolhouse to a modern, complex one like our Indian Hill High School. Through the education process, every student experiences the excitement of exploring the world around him and the world within him. In school he learns about himself, and with his new knowledge, he begins to find his place—in his family, his community, his society, his world. Each discovery at each level leads to new questions and new knowledge. The discoveries we make in these four years are valuable in themselves, but their greatest value lies in what they lead to . . .

Seniors: I

urpose from Discovery

Senior class officers, Rick Coghill, treasurer; Steve Muzzo, vice-president; Jim Rollins, president; Susan Koch, secretary, plan Homecoming.

For the Seniors, 1965 has been a year of personal memories. It has been a time of looking backward with a sense of accomplishment to challenges met and a time of looking forward to challenges yet to be met. There is regret for that which must be left behind, but there is also a feeling of purpose gained through the experiences of these formative years.

SENIOR CLASS PLAY

Charmed! Chanted!

Another of the great shooting matches between Silas and Jean.

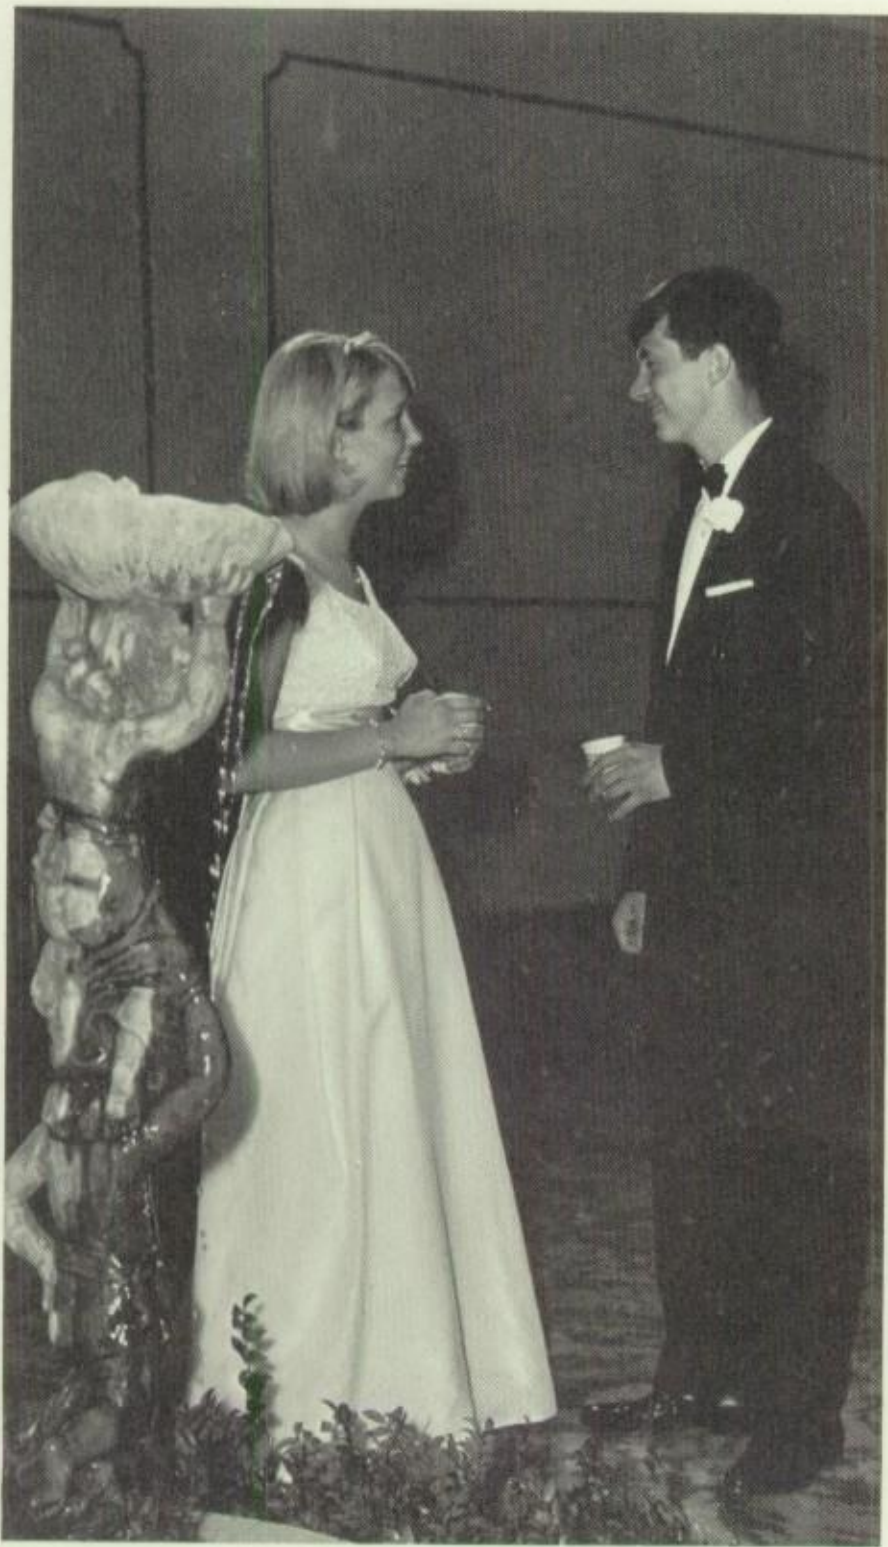

Silas tries to act nonchalant.

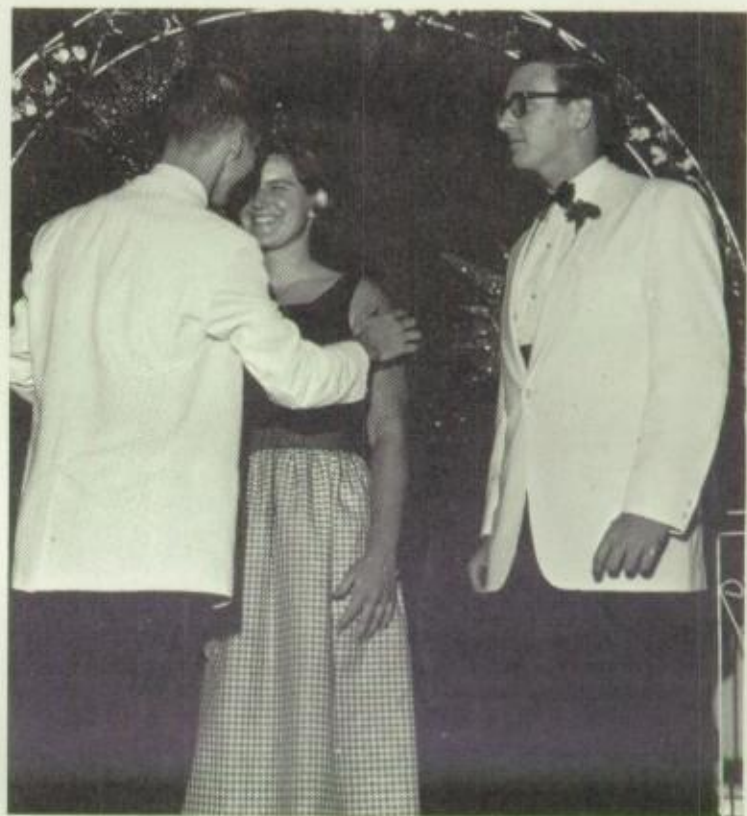

This year the Seniors, under the direction of Mr. Kincaid and student director Susan Koch, presented *Annie Get Your Gun*. There were several production problems involved in the presentation, among which were a cast of over thirty seniors and the necessity of five major scene changes. Jean Cook played the "sharp-shooting" Annie Oakley and Silas Skidmore appeared as the suave Frank Butler. Several seniors made their dramatic debuts in the production, revealing unsuspected talents. Joe Camp, Janet Corrington, and Pat Carter played the parts of Annie's little brother and sisters. Lon Deckard appeared as Chief Sitting Bull, and Tom Knight played a member of the show business troupe. More experienced members of the cast included Shirley Morner, Terry Price, Coralinda Cobbe, and Gary Rockenfield.

PROM

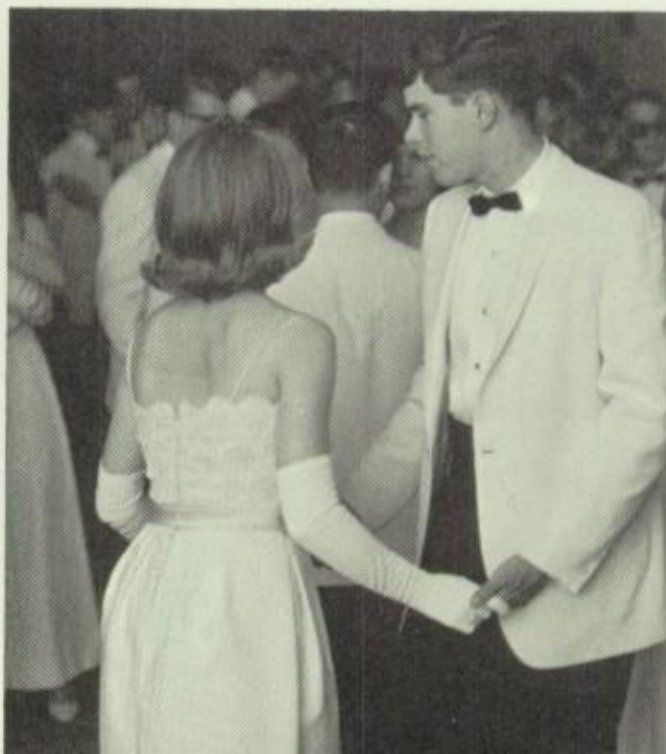

On the night of May 29, Juniors, Seniors, and their dates attended the long awaited Prom held in the Roof Gardens of the Sheraton Gibson Hotel from 9:00 to 12:30. The Monarchs provided the much-enjoyed music. Sandwiches and punch were served at midnight. The "Enchanted Evening" was completed by the coronation of the Prom Queen, Pat Hamilton, escorted by Ken Bladh. She was attended by Sandy Anderson, Connie Carroll, Lyn Grimsley and Cindy Sibcy and their escorts, Jim Jagers, Cliff Stubbers, Rick Sterling and Randy Mayne. Pat was crowned and presented with roses by the Junior Class President, Pete Smith, whose class sponsored the evening's festivities. A church service and bowling followed the dance. Sunday, many went on picnics, swimming, or to Coney. Tired but happy, the students were sorry to see the weekend come to a close.

To each his own.

BACCALAUREATE COMMENCEMENT

Valedictorian Tom Hensgen and Salutatorian Carolyn Cottrell.

President of the Class of '65 Jim Rollins leads his classmates as they change the positions of their tassels.

The Honorable Robert Taft, Jr. addresses the Seniors and their guests on the "Role of the Individual in Today's World."

On the night of June 6 several churches in the community conducted Baccalaureate services at Armstrong Chapel for those Seniors, and their families, who wished to attend. Reverend Dale Beittel said the invocation, which was followed by the Mixed Chorus singing "Ours is the World." The Reverend Richard Faux read the scripture and conducted the prayer. Reverend Luther Tucker then delivered the class sermon. The Mixed Chorus sang "Cast thy Burden upon the Lord." Reverend Leonard Klotz delivered the Benediction, which was followed by the choral benediction sung by the Mixed Chorus.

Commencement was held on the evening of June 13 on the football field of the Middle School. The seniors marched in as the band played "Pomp and Circumstance." Reverend John Steidl delivered the Invocation. Introduced by Dr. Robbert Walter, commencement speaker Robert A. Taft, Jr. spoke on "Individual Responsibility in Today's World." Mr. James Sailer then presented the members of the class, who were awarded their diplomas by Board of Education President Booth Shepard. Jim Rollins, as President of the Senior Class, accepted the diplomas. Following this, Reverend Steidl pronounced the benediction, and the Class of '65 filed out to a recessional played by the band.

Valedictorian Tom Hensgen receives his diploma from School Board President Mr. Booth Shepard.

Senior girls wait in line to receive their diplomas.

DR. ROBERT WALTER

MR. CARL MORAN

SUPERINTENDENT

Superintendent of Schools, Dr. Robert L. Walter, serves as the executive officer for the Board of Education. Working in conjunction with the Board, his recommendations guide the formation of policies which provide organization of operation and function of the school system. His activities include setting the agenda for the Board meetings, supervising instruction, selecting faculty members, stimulating the search for curriculum improvements, long range research and planning for needed school facilities, and keeping the community informed about school affairs. In effect, it is his responsibility to guide public education in Indian Hill.

Mr. Carl Moran, as Assistant Superintendent of the Indian Hill Schools, performs the duties of business manager in charge of purchasing and maintenance. Among Mr. Moran's many responsibilities are the supervision of transportation, the scheduling of bus routes, and the repair of all buses. Not only is he responsible for this aspect of school life but also one of equal importance, the maintenance and purchasing of school equipment.

BOOSTERS

The Indian Hill Boosters Association promotes general school activities which cannot be financed by taxes or for which only limited funds are available. Each year the Boosters make a donation to the American Field Service, contribute to the student loan fund, and help finance the Girls' and Boys' state program. In order to finance all their contributions, the Boosters initiated their annual membership drive, sold Indian Hill jackets, printed and sold advertisements for the Pow-Wow programs, and sponsored their annual Spring Dance.

Booster officers: Mrs. Nethercott, Mrs. Vogt, Mr. Jarvis, and Mr. Geyer.

P.T.A.

The P.T.A. promotes a harmonious relationship between parent and teacher, home and school. To fulfill this goal and benefit the community as a whole, the P.T.A. supports Boys' and Girls' State, scholarship fund and banquet, American Field Service, College Night, the book store, and adult education classes.

P.T.A. officers: Mrs. Sims, Mrs. Male, Mrs. McMaster, and Miss Graham.

SCHOOL BOARD

The men elected to serve on the School Board plan and supervise the operation of the school system. The Board must consider factors such as the educational needs of the community, the requirements set by the State Board of Education, and make certain that our system is adequate in all respects.

School Board members: Mr. Louis Hellming, Mr. Fred Wilkening, (clerk), Mr. Booth Shepard, Mr. Bruce Petrie, Mr. David Bidwell, and Mr. Robert Sternberg.

The two members of the administration most directly involved with Indian Hill High School students are Mr. James Sailer and Mr. Charles Selzer. As principal, Mr. Sailer guides the entire operation of the High School. He is personally concerned with the academic life and development of each individual student. Mr. Sailer's duties are varied. As chairman of the Advisory Board, he meets with department chairmen to plan classes and subject matter. He is responsible for the appointment and supervision of all faculty members. Providing for future Indian Hill growth, Mr. Sailer is working on the projected building plans for the remaining stages of the school.

MR. CHARLES SELZER

MR. JAMES SAILER

PRINCIPALS

As assistant principal, Mr. Selzer attends to numerous duties which assure the smooth daily operation of the school. He checks attendance of both students and faculty, hiring substitute teachers when needed. He composes the annual school calendar and co-ordinates the planning and presentation of school assemblies. He supervises student conduct in the halls and cafeteria and deals with disciplinary infractions. However, his duties do not terminate with the end of school in June, for Mr. Selzer serves as director of the summer school program.

MRS. MARGARET SILK, MRS. JEAN KERN, MRS. RITA BRAMKAMP

OFFICE

MRS. JEAN O'LEARY

The Guidance Department this year was expanded to give Indian Hill students more personal attention. Mrs. O'Leary is in charge of college and career planning for juniors and seniors. Miss Prosser helps juniors with their schedules, while Mr. Himelich is responsible for planning the schedules of both freshmen and sophomores. Mrs. Kern serves as secretary for the department. To further aid upper classmen in planning for future years, the Guidance Office sponsored a college night for students and their parents and also invited representatives from fifty-four colleges to speak to Indian Hill students during the year.

"C'est le peuple ignorant qui a formé les langues . . . mais si le peuple a formé les langues, les grandes hommes les perfectionnent par les bons livres." Voltaire.

The aims of the study of language are to impart a foundation of basic fundamentals of language, to achieve correct pronunciation and intonation, to acquire a vocabulary sufficient to meet the needs of everyday life experiences, to write simple compositions, and to acquire some knowledge of the history, literature, customs, and everyday life in the foreign country involved.

The department members believe the future stability and continuance of our democratic way of life are dependent, to a large degree, on the understanding of and appreciation for the basic tenets of our heritage. With this in mind, the Social Studies courses are continually being revised and enhanced in order to meet the demands placed on intelligent and active participants in the local as well as the world community.

Two major undertakings in the department this year were: (1) the completion of courses of study in World Geography and European History, and (2) an attempt at team teaching in the American Government course.

ART

"The object of art is to crystallize emotion into thought, and then fix it in form." Delsarte

The Art Department at Indian Hill strives to encourage creative interests and abilities of its students. Another objective is the development of art appreciation. Through experience with different media and techniques, students learn about the fine points of commercial and fine arts. Special activities of the department included art exhibits, set designing and advertising for the Pow-Wow.

MUSIC

"Music washes away from the soul the dust of everyday life." Auerbach

Through participation in the instrumental and vocal courses offered by the Music Department, students have an opportunity to gain a deeper appreciation for music as well as the enjoyment afforded by performance. In both chorus and band, students may participate in solo and ensemble contests as well as perform with the group at the annual band and chorus contests. The music theory class, offered to those students interested in further instruction, emphasizes the fundamentals of composing and the development of music appreciation.

MATH

"Math possesses not only truth, but supreme beauty—a beauty cold and austere, like that of sculpture, without appeal to any part of our weaker nature, sublimely pure, and capable of a stern perfection such as only the greatest art can show." Russell

The course of studies offered by the Mathematics department is designed to fit students having a wide range of interest and ability. The members of the department feel that the study of mathematics benefits every student. Not only is a thorough foundation in mathematics essential to many jobs in science and industry, but it is felt that purely as an exercise in logical thinking, the study of mathematics is valuable. Most students take Algebra I, Geometry, Algebra II, and Math IV. Accelerated courses and General Mathematics are also offered by the department.

SCIENCE

"Science carries us into zones of speculation, where there is no habitable city for the mind of man." Stevenson

There has been considerable progress in recent years in the teaching of physics, chemistry, and biology in the secondary schools. The Science Department at Indian Hill has attempted to keep up to date with this progress by adapting the Physical Science Study Committee curriculum and the Biological Science Curriculum Study last year. At the present time plans are being made for the introduction of an Introductory Physical Science course at the ninth grade level. All three of these courses have one thing in common: the dimension of inquiry is emphasized. In these courses science is taught as a process as well as a product. Students are encouraged to investigate the principles of science through individual experiments. Through the emphasis on inquiry at all levels of science education, it is believed that the student will see an important unifying aspect in all his science courses. The Science Department also sponsors the annual science fair in which students can display their work in any field of science.

Every student is required to take four years of English. The regular course of study aims to prepare students for college by developing reading skills and appreciation, by extending command of the language, and by inculcating the fundamentals of good composition. Advanced American and English survey literature courses are offered as electives in the junior and senior year. Students may choose additional electives such as Speech and Developmental Reading courses to meet individual needs. This year a new course, English N, was made available to students on any level who needed special assistance in the areas of reading and writing.

INDUSTRIAL, HOME AND LIBRARY ARTS

INDUSTRIAL ARTS

"Habeo opus magnus in manibus." Cicero

Students may take up to four years of Industrial Art courses, General Shop and Mechanical Drawing. Obtaining experience in such areas as woodworking, metal work, electrical work, power mechanics and graphic arts, the students learn to plan and execute their own individual projects. Other students enrolled in Mechanical Drawing study graphic language and learn to visualize and figure mathematically the making of production drawings.

HOME ECONOMICS

*"The many make the household,
But only one the home."* Lowell

The primary goal of the Home Economics department is to prepare Indian Hill girls to be future homemakers. Through this department girls are taught cooking and sewing both by experience and by careful study. They also learn the skills of prudent money management.

LIBRARY ARTS

"A great library contains the diary of the human race.—The great consulting room of a wise man is a library." Dawson

The Indian Hill library offers students a large selection of books, both for pleasure reading and for research work. Also, through this department, students learn how to use the many opportunities offered by all libraries.

BUSINESS EDUCATION

"The musician, the painter, the poet, are, in a larger sense, no greater artists than the man of commerce." Maverick

The specific aim of the Business Education department is to prepare students to participate in business activities now and in future years. Students may gain vocational training in such subjects as bookkeeping, typing, and shorthand.

PHYSICAL EDUCATION

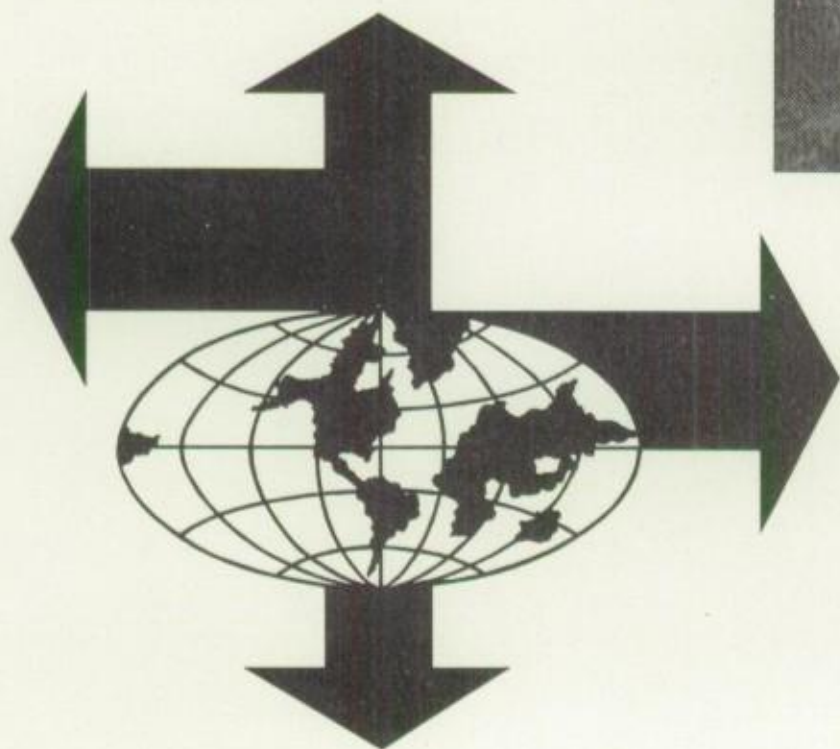

"Enough work to do, and strength enough to do the work." Kipling

The basic objective of this department is to encourage physical activity and to promote fitness in all Indian Hill students. A wide range of activities including tennis, football, hockey, soccer, track, and basketball are offered on both the interscholastic and intramural level.

STUDENT COUNCIL

Student Council officers: Martha DeBra, Secretary-Treasurer; Gary Hartman, President; Jim Rollins, Vice-President.

This year the Student Council, under the leadership of Gary Hartman, has undertaken many projects. One of the most outstanding of these was the spirit contest during football season. For nearly eight weeks, activities at I.H. were highlighted by pep rallies, pre-school pep bands, and gaily decorated halls. Points were given according to the originality of posters and spirit shown at the weekly assemblies. The Juniors received the most points and were awarded a check for twenty-five dollars and the use of the Senior Lounge for one day. In addition to the spirit contest, the Student Council started the tradition of an Indian Hill Sportmanship Award, attacked the lunchroom problem, revised the Constitution, continued to support our foster child, Su Sun Ju, and hosted the annual workshop of the Greater Cincinnati Association of Student Councils. The Student Council played a major part in school life at Indian Hill this year and looks forward to expanding its role next year under the leadership of its new President, Dick Miller.

The majority of the Student Council work is done through committees. The chairmen of these groups are Dave DeBra, Rick Brand, Martha DeBra, John Zaring, Judy Campbell, and Steve Muzzo.

Gary Hartman and John Zaring join in the Student Council's drive "to make our cafeteria a nice place to live in."

Gary Hartman and Steve Muzzo edited this year's student handbook.

NATIONAL HONOR SOCIETY

At a special assembly before the entire student body, the Indian Hill chapter of the National Honor Society inducted six Seniors and eleven Juniors into its membership. The purpose of the National Honor Society is to recognize students who have maintained a high scholastic record. However, members must also demonstrate outstanding qualities of leadership, character, and service. At the assembly Gail Nisonger explained to the new members the meaning of scholarship; Coralinda Cobbe, leadership; Cheryl Schmidt, character; and Susan Koch, service. Mark Dauner explained the significance of the Society's emblem. Mr. Kincaid, sponsor of the Senior Class, introduced the Senior candidates and attested to their qualifications. Mr. Powers, Junior Class sponsor, vouched for the qualifications of the Junior candidates.

This year the Society became highly selective, taking only a quarter of those candidates who were eligible. All candidates submitted a statement of their activities and their reasons for wanting to join the Society. The candidates were then elected by the members of the faculty. Mr. Sailer and Mr. Himelich planned to continue this policy of selectivity in future years while making the Society more active in school life.

SCHOLARSHIP TEAM

This year the Indian Hill Scholarship Team consisted of sixty-two members representing various high school classes. The students qualified by placing first, second, or third in their respective subjects on the Preliminary Scholarship Tests. Those who placed in more than one test were permitted to choose which subject they would pursue in the Finals, taken in May at Loveland.

Several Indian Hill students did extremely well on these tests. Larry Nees placed ninth in the state, regardless of classification, in World History. Charles Hedrick placed thirteenth in the state in Advanced Algebra.

These tests are taken by Indian Hill students in competition with students from other high schools. The Administration plans to continue in this type of competition.

CHIEFTAIN

The *Chieftain*, Indian Hill's own newspaper, has been in publication for fourteen years. By working on the *Chieftain*, staff members gained experience in all phases of journalism—from reporting to working on layouts to the actual printing. After the reporter wrote his assigned article, it was then given to the production staff who edited it. Next it was typed on one of the electric typewriters. Each article had to be typed twice to insure a straight right hand margin. The production staff then “made up” the paper by pasting the articles and headlines onto large cardboard sheets. A professional photographer photographed these sheets and reduced his negatives to the actual size of the paper. When the negatives were returned to the *Chieftain* office, they were used by the printers to make the aluminum plates necessary in printing. Then the presses rolled and another edition of the *Chieftain* was done.

Chieftain reporters were: Donna Ball, Nancy Flohr, Lois Wagner, Pat Hamilton, Debby Shriver, Karol Van Houten, Doug Postler, Chris Brenner, and Sandy Anderson.

The Sports writers, Bill Atteberry, Rae Jean Carr, Carol Klotz, and Ted Walkenhorst, with Mr. Kincaid.

Emil Hauck, John Young, and Bill Sublette were *Chieftain* printers, and Coralinda Cobbe was the typist.

Bill Wiedemann, Jason Warren, Judy Redman, Drew Scallan, Tom Knight, and Mark Dauner made up the editorial staff of the *Chieftain*.

Bruce Hock was the photographer; Doug Lovett, the artist; while Nancy Gatewood, Cathy Andrews and Karen Cofinbarger were members of the production staff.

LEGEND

Copy Editor Susan Koch, Subscription Editor Phyllis Johnsen, Editor-in-Chief Coralinda Cobbe, and Advertising Editor Julie Doscher.

The *LEGEND* is actually composed of several staffs, each working under the direction of a co-editor. The subscription staff, headed by Phyllis Johnsen, sold *LEGENDS* and kept records of all purchases. The advertising staff, under Julie Doscher, sold advertising space to local businesses. They were also responsible for the Patrons' Page and Business and Professional Directories. The income from both these staffs financed the publication of the *LEGEND*. Susan Koch was the editor for the copy staff. This group was responsible for writing and editing all copy in the *LEGEND*. This year the staff added a new editor; Janet Corrington served as lay-out editor, planning the size and position of every picture headline, and copy block for each page. Coralinda Cobbe, as editor-in-chief, supervised and coordinated the work of the individual staffs to produce the finished 1965 *LEGEND*. Mr. Denton was the faculty advisor. Also, Mr. Carl Vorpe of the American Yearbook Company, *LEGEND* publishers, aided the staff on technical problems. Mr. Pat McKendrick and Bruce Hock served as *LEGEND* photographers.

FRENCH CLUB

The French Club was a new organization at Indian Hill this year. The club, sponsored by Mrs. Rice and Mrs. Bryan, was organized to promote interest in the French language and customs. The majority of the French students joined the club which had eighty-five members. The activities this year included a French play given by the French III class and a film entitled *The Red Balloon*. At one of the meetings Mrs. Rice showed slides which she had taken in France, and this year's exchange student, Françoise Bricault, spoke about her native country. She discussed customs, teenage life, and education in France today and how each differed from the American way of life. The French Club sponsored two parties this year, one at Christmas and the other at the end of the year.

Officers for this year's French Club were Pat Hamilton, President; Cindy Brooks, Vice-President; Gloria Johnson, Secretary-Treasurer; and John Zaring, Sergeant-at-Arms.

LATIN CLUB

The Latin Club was organized to increase interest in classical studies and to heighten appreciation of our Roman heritage. The club, open to all Latin students, supplements classroom study because of its emphasis on Roman culture.

In January the informal initiation of Latin I students was held. At that time they were sold as slaves. In March many of the members went to Columbus to attend a state-wide convention of Latin clubs, sponsored by the Junior Classical League. They brought back new ideas for future Latin Club organization and meetings. In other meetings the club discussed Roman slavery, holidays and ceremonies.

This year's officers were Anne Marquess, President; Neal von Hedemann, Vice-President; Kathy Creger, Secretary; and Janice Field, Treasurer. The club was advised by Mr. Blackburn.

SPANISH CLUBS

The Spanish Club, "Los Amigos Panamericanos," is one of the largest and most active clubs in the school. Each year at Christmas time there is a Christmas party with the traditional pinata and caroling in the halls. One of the highlights of the year was the Spanish Club's Fiesta which was a progressive dinner held for the members in June. The program consisted of swimming and "Chile" at one home, the main course of "Arros con pollo" at another and a desert of strawberries and ice cream.

Indian Hill's Chapter of the Spanish National Honor Society, "Cerro del Indio," was started by Senorita Ong in 1954. This year Indian Hill's Chapter received a permanent wood statue of Don Quixote for its efforts. Each year the Chapter travels to Columbus to attend the state convention. The Chapter also sponsors the Pan American Day Assembly in which Indian Hill Spanish students participate as well as the Spanish exchange students in the Cincinnati area.

AIDES

Several Indian Hill students this year offered their services to the school by acting as aides. The girls who served as office aides helped the secretaries. They answered the phone and delivered messages to various classrooms. Office aides also collected absentee slips and distributed absentee lists. These aides greeted and guided visitors. The girls who served as library aides helped Mrs. Saffer to check books in and out, to collect fines, and to shelve books. Through this work, they gained experience in library skills. The third type of aide was the visual aide. These boys helped teachers to run movie equipment such as tape recorders. Pat Nave served as the athletic office aide by helping Mr. Clark with various duties.

The Library aides were: *SEATED*: Judy Carter, Linda Wuest, Linda Sorenson, Barbara Bandomer, Bessie Raines, Karen Kromer, Lyn Kannaley, Ruth Campbell, *STANDING*: Vigee Seelan, Mrs. Saffer, Sharon Jones, Judy Norwine, and Alice Moore.

The Dramatics Club officers were Gail Nisonger, Scribe; Dick Miller, Historian; Barb Isaacs, Vice-President; Janet Corrington, President; Gale Carstarphen, Secretary; and

Susan Koch, Treasurer. The Club was advised by Miss Mary Lou Berwanger.

"He won the world In a very odd way,
He blew his horn And took it away."

Barb incited the rabble consisting of Doug Lovett, Ted Walkenhorst, Penny Leue, Maralyn Short (under the sheet), Kathy Howard, Chris Lohr, Suzy Baker, Holly Heigerick, Paul Smith, and Jim Koch, Rob Mayer, and John Norwine, who were kneeling in front.

Members of the Dramatics Club enlivened the Christmas Concert with a pantomime.

"This is how the world was made, in a stew, in a stew!"

DRAMATICS CLUB

The Dramatics Club began this year by working in conjunction with the Thespians on the production of two children's plays. Next, with the Band, this club presented a pantomime at the Winter Concert called "Christmas in Toyland." However, the major production of the year was *Dinny and the Witches* by William Gibson. This was the most challenging play the club has given, for it was a humorous play with serious overtones, the first attempt at symbolic drama. Also for the first time, the club used impressionistic scenery. Everyone working on this production felt challenged, for not only was the acting demanding, but *Dinny and the Witches* also called for unusual make-up, lighting, and special effects. After the production of *Dinny*, members of the Dramatics Club worked with the Thespians on the production of the melodrama "Egad, What a Cad!"

THESPIANS

The National Thespians is an honorary society which encourages participation in every phase of dramatic arts. Membership in the organization is based on the accumulation of points from acting, working backstage, reading and attending plays. Last fall the Thespians sponsored two children's plays, "*Suppose*" and "*The Pied Piper*," under the direction of Jean Cook. Jean, President of Thespians, also conducted a pantomime workshop. This year Indian Hill hosted the Hamilton County Thespian Contest at Drake Road school. Silas Skidmore, Maralyn Short, and Ted Walkenhorst starred in the production of an old-fashioned melodrama, "*Egad, What a Cad!*"

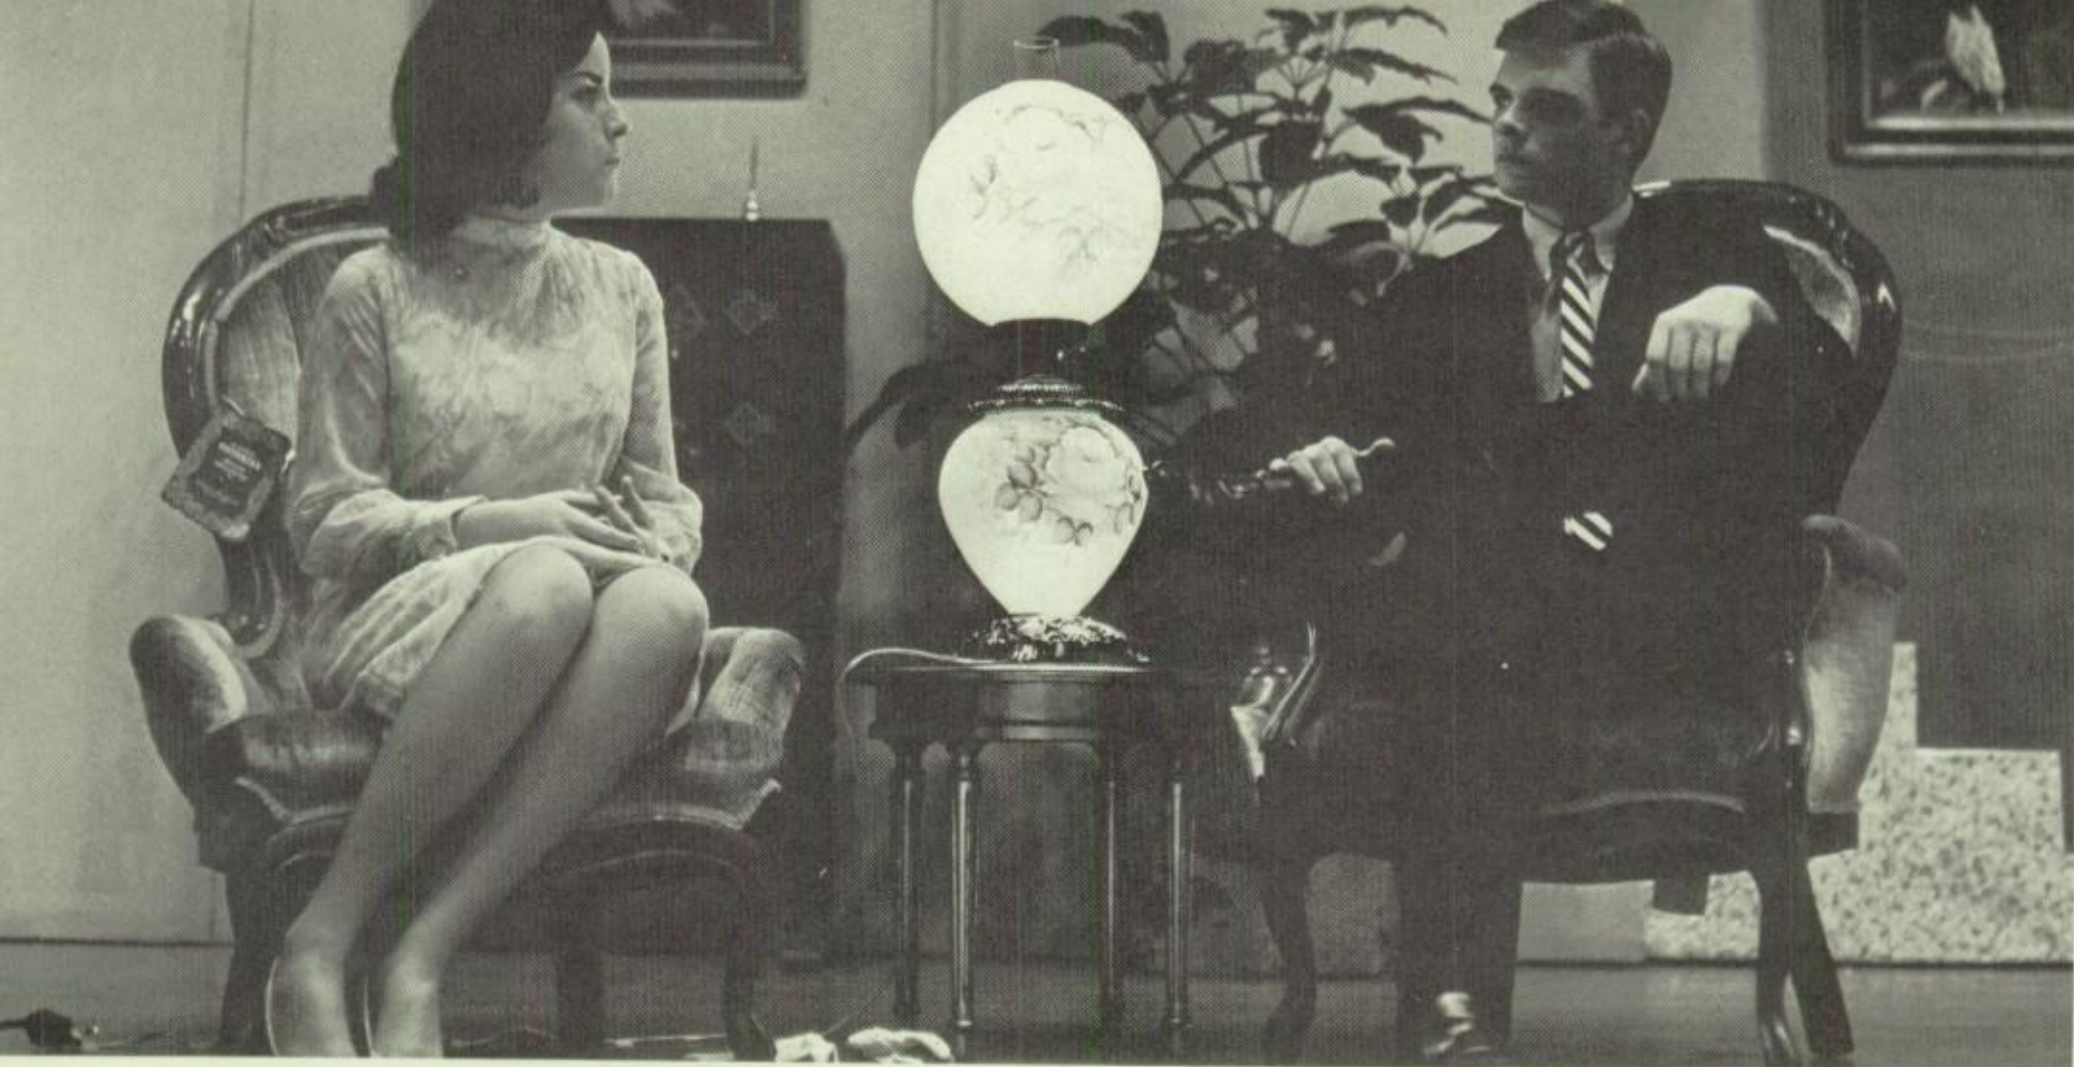

Elementary school children are enchanted by "The Pied Piper."

In "The Pied Piper" the Thespians used the technique of a commenting chorus for the first time.

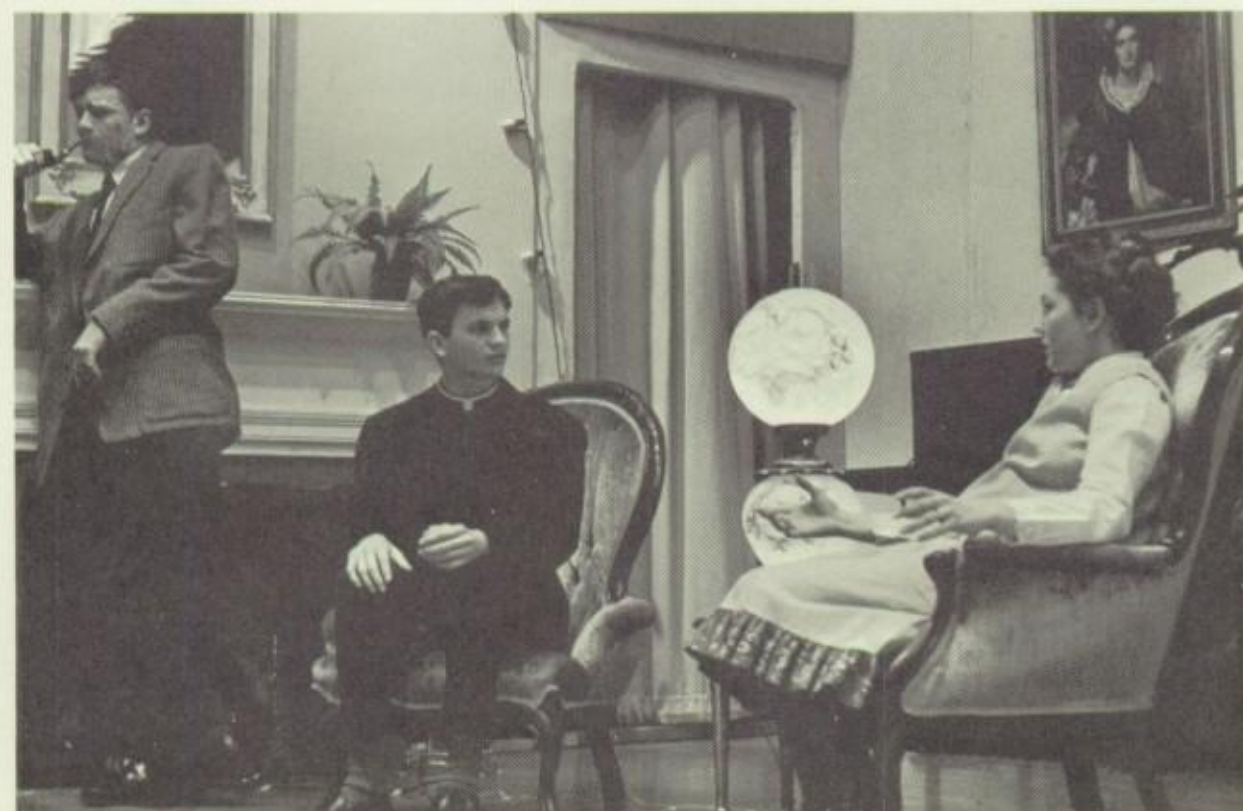

JUNIOR CLASS PLAY

The Enchanted Cottage was presented by this year's Junior Class under the direction of Mr. Philip Rusche and Miss Martha Selzer, assisted by Jim Tarkington as student director. The most outstanding feature of the play was the fantasy scene which included clowns, peacocks, rabbits, cats, ghosts, and even a ballerina. This scene was particularly colorful because of the special lighting effects achieved by twinkling Christmas lights.

The cast included Maralyn Short, Tom Fledderman, Kathy Stewart, and Mike Wilson. Featured in supporting roles were Phil Moss, Anne Marquess, Jim Johnson, and Gale Carstarphen.

DEBATE CLUB

National Forensic League members Chuck Johnson, Doug Seitz, Wayne Bladh, Jay Chewning, and Miss Selzer.

The Debate Club at Indian Hill, having received membership in the Ohio High School Speech League only last year, is a comparatively new organization. Each week members of the club took part in interscholastic debates. The subject of this year's debates was "Resolved: that nuclear weapons should be controlled by an international organization." In addition to its participation in interscholastic debates, the debate team received second place in the Princeton Tournament. The team also participated in the Webster-Haynes Debate at Moeller High School and a tournament at New Richmond. This year the officers were John Holmes, Acting President; Carol Nees, Secretary; and Jay Chewning, Treasurer.

The National Forensic League is an honorary society for students who have earned the specified number of points and have been approved for membership by the faculty.

Radio Club members were: Dan Walters, Ken Young, John Young, Steve Ries, Ricky Banker, Gary Stowell, Ted Homan, John Berkey, Richard Klotz, David Shimp, Gary Carrelli, and Bill Stewart with Mr. Connell.

RADIO

The main objective of the Radio Club is the promotion of interest and knowledge in amateur radio broadcasting. In general, the club's activities involved building radio equipment and assisting amateur operators to obtain their Ham licenses. The club's officers, President John Young, Vice-President Gary Stowell, Secretary-Treasurer Dan Walters, Bill Stewart, John Berkey, Ken Young, and club advisor Mr. Connell have already received their licenses. The Radio Club has its own station, WA88OVU, and each year club members display radio equipment at the school Science Fair.

SCIENCE

This club was formed to encourage those students having a particular interest in the sciences. This year the club had several guest speakers, such as Dr. Delcamp who discussed the science program at the University of Cincinnati. Its other activities included a field trip to the Hamilton County Police Department where the members were shown various methods of crime detection. Officers of this year's Science club were Chuck Hedrick, President; Jay Chewning, Vice-President; and John Yingst, Secretary-Treasurer. Mr. Wojcik sponsored the club.

Members of the Science Club were: Greg Starr, John Yingst, Bill Koch, Kim Tingley, Doug Lovett, Mr. Wojcik, Dave Dyer, Rick Groth, and Chuck Hedrick.

G. A. A.

The Girls' Athletic Association has been an active organization at Indian Hill for many years and has helped broaden interest in the field of girls' athletics. Although the main purpose of the organization is the promotion of athletic activities, there are other interests available to all. One of the main projects is the annual Christmas Dance for which all girls have an opportunity to plan the program, decorations, or refreshments. This dance has been traditionally established as a formal affair to which all members of the high school are invited. In addition to the dance, the G.A.A. also sponsored service projects such as toy and clothing drives for the Emmanuel Center. This year the club gave an Easter party for the Colored Orphanage Asylum in downtown Cincinnati, and with this project, hoped to set a precedent for future years.

This year the Board of Directors altered the system of awards for interscholastic activities and established another for club awards. The girls had found little use for the letters, chevrons, and numerals they had previously received and were pleased with the new awards of pins, charms, and trophies. The G.A.A. awards were similar to the interscholastic ones and were awarded according to the accumulation of points earned during the school year. These awards were presented at the annual G.A.A. Banquet held in May. After dinner, this year's officers were acknowledged and those for next year were announced. The members for next year's Board of Directors were also announced. This group is made up of the club's officers and two representatives from each class.

AMERICAN FIELD SERVICE

The American Field Service is a world-wide organization to promote international co-operation on a person-to-person level. The Indian Hill Chapter sponsored two foreign exchange students, Françoise Bricault from Montpelier, France, and Maria Lemos from Quito, Ecuador. Although not connected with the A.F.S., Eva Snare of Sweden also attended Indian Hill. Maria stayed at the home of Connie and Linda Carroll. She found life in the United States quite different from that in Ecuador. While in the U.S., Maria joined many activities such as the Pow-Wow art staff, a Senior Girl Scout Troop, and the Future Business Leaders of America. Françoise lived with Carol and Larry Nees during her stay and also participated in many activities. She was an active member of the Dramatics Club and appeared in the Senior Class play as well. Françoise planned to attend a French University after her year at Indian Hill. Eva Snare was an exchange student in the truest sense of the word. While Eva stayed with the Murphys of Kenwood, David Murphy lived with the Snare family in Sweden. This year the A.F.S. Board was organized for the purpose of introducing the exchange students to their fellow Indian Hill students. They did this by sponsoring a tea for all junior and senior girls in honor of Maria, Françoise, and Eva.

In Cincinnati Maria discovered snow for the first time.

Always interested in dramatics, Françoise enjoyed acting in the Senior Class Play.

The Indian Hill Chorus.

CHORUS AND GLEE CLUB

The Chorus Council was set up as a means of discipline and student government. The elected representatives, two from each class, were: Rick Wulff, Rae Jean Carr, Bob Murphy, Terry Turner, Gary Rockenfield, Ann Mossbarger, Penny Pope, and Lyn Bidwell.

Under Mr. Cox, the new director, the Chorus and Glee Club have become valuable assets to the Indian Hill Music Department. They gave many fine performances, including several special concerts. At both the district and state music contests, Indian Hill was among the highest ranking in choral competition. Special credit should be given to the Triple Trios and the Chorus and Glee Club for their superior rating in the state contest, making the first medals of this kind for choral groups at Indian Hill.

Members of the Red Triple Trio were Susan Heitmeyer, Linda Turpin, Kris Poff, Cindy Stowell, Sue Todd, Jane Hayden, Sue Kerr, Laurie Riecks, Sally Starr, Lois Wagner, and Kathy Howard.

The White Triple Trio was composed of Linda Lovelady, Judy Walker, Nancy Wexler, Penny Pope, Ann Mossbarger, Carol Nees, Cathy Lindeman, Linda Carroll, Cathy Williams, and Linda Carrelli.

The Glee Club won Superior ratings at the State Contest.

BAND

Carl Morner was Drum Major and the Majorettes were Jane Geyer, Janice Bateman, Jacqui Bachler, Susan Lashbrook, Coralinda Cobbe, and Pam Besuden.

R. Earl Snapp, Director.

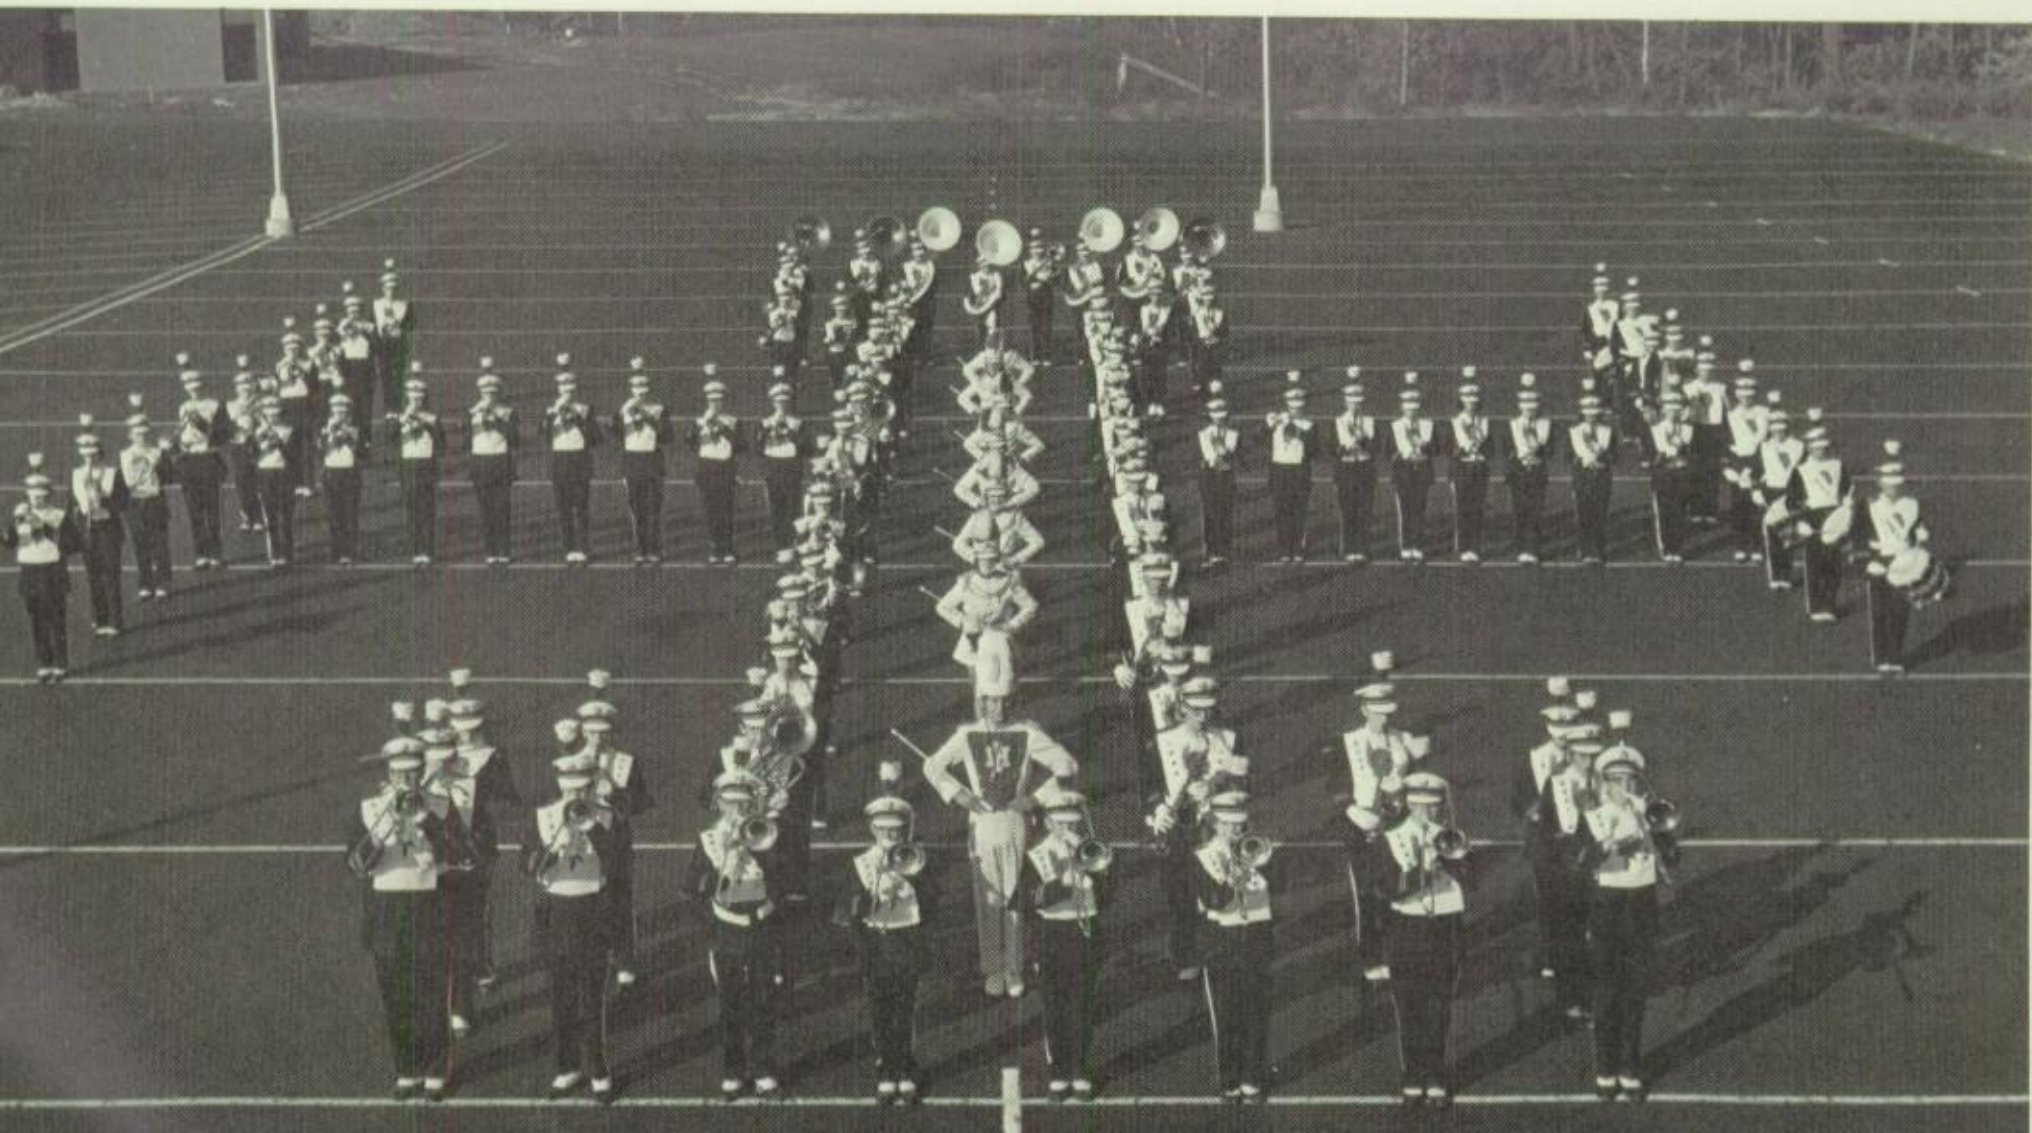

Indian Hill High School Marching Band.

The Indian Hill High School Band began the year with a brilliant marching season. Using its experience at the World's Fair as a theme, it performed many outstanding half-time shows. In addition to its football performances, the marching band participated in the University of Cincinnati's Homecoming Parade for the second consecutive year.

During concert season, the band presented three concerts. For its mid-winter concert, the band was honored by the presence of a local composer, Deke Moffit, who conducted one of his newest compositions, "Teensville U.S.A." In addition to these three concerts, the band participated in the District Band Contest and received a II rating. Clem Scovanner received a superior rating for his tuba solo at both district and state levels.

As its annual profit-making project, the band sold candy at Christmas. The money from this sale was used to purchase awards presented at the end of the year.

Indian Hill High School Symphonic Band.

The saxophone quartet consisted of John Yingst, Craig Shenefelt, Linda Gatewood, and Shirley Morner. The horn quartet was made up of Dee Davis, Dave Randolph, Bonnie Schmidt, and Cliff Stubbers.

Karol Van Houten, Chuck Johnson, and David Shimp made up the trumpet trio.

The trombone quartet was composed of Jane Geyer, Mike Bevis, Larry Haverkos, and Doug Seitz. Cindy Hargrave, Jim Carpenter, Chuck Hedrick, and Tim Feige were the members of the clarinet quartet.

The Band Council, consisting of two members from each class elected from the band, was presided over this year by Jason Warren. Shirley Morner was Vice-President; Karol Van Houten, Secretary; Chuck Johnson, Assistant Secretary; and Tim Feige, Treasurer. It was the Council's job this year to plan performances, to supervise the annual candy sale, and to organize the presentation of awards. At the end of the year, the council held its annual party at Mr. Snapp's home.

FOLK MUSIC

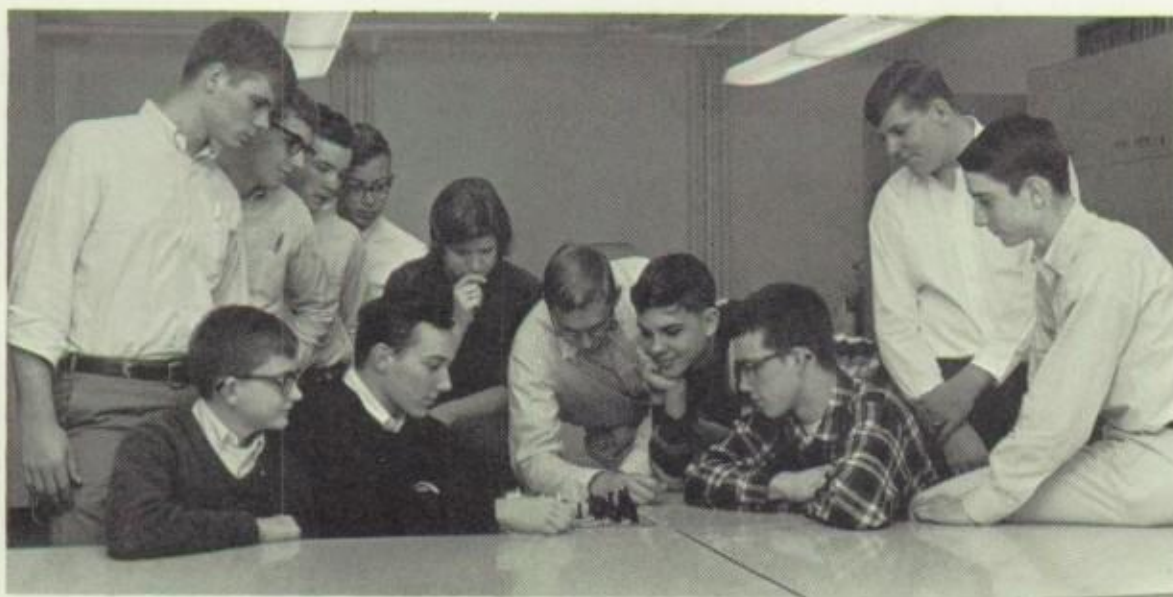

The Folk Music Club, sponsored by Mr. Rusche, is one of the newly formed clubs at Indian Hill. The purpose of the club is to promote interest in folk music, provide an opportunity for informal group singing, and give members an opportunity to perform. The club sponsored several hootenannies which were highly successful and enjoyable. The officers were Sue Todd, President; Mike Wilson, Vice-President; Cathy Williams, Secretary; and Cindy Hargrave, Treasurer.

CHESS

The chess team was formed to teach students the intricacies of this ancient game which was said to have originated in the time of Homer. Each week the chess team had practice games to prepare its members for interscholastic matches. In these matches, teams of four players, chosen from the club, competed with teams from other schools. The chess team, under the sponsorship of Mr. Connell, played eight league and two non-league matches this year.

This year the F.B.L.A. had several guest speakers from various fields of business. The club's officers were Carol Gassick, President; Sue Gant, Vice President, Donna Rudder, Secretary; and Carole Cain, Treasurer. Miss Kelley was the advisor.

FOOTBALL 1965

This year's Indian Hill varsity football team finished third in the Eastern Hills League with a fine 8—2 record, losing only to Mariemont and Loveland. This year's seniors were the first to go completely through the football program under Mr. Clark, and since their freshman year, they lost only six games. This is quite a credit to them and to Mr. Clark. Leading our offense this year were halfbacks Lloyd Williams and Steve Muzzo, complemented by fullback Jim Rollins. Heading the defensive charge were linebacker Dexter Zaring and lineman Tip Osterthaler. The graduating seniors helped to establish a winning tradition which should inspire future teams.

BRAVES FINISH 8—2

With ten consecutive victories behind them, the Braves shut out the Lockland Panthers 22—0. Veteran halfback Lloyd Williams scored the first tally. Two other touchdowns were added by Dave Mock and Jim Rollins.

In their first season league encounter, the Braves found themselves out-played from the kick-off. Mariemont scored twice before Dexter Zaring hit Lloyd Williams for a touchdown pass in the third quarter. The final score found the Warriors on top, 28—16. The Braves found the winning trail again by swamping a weak New Richmond team. The final tally was 46—0.

Making the Homecoming a success, the Braves overwhelmed the Deer Park Wildcats by a score of 26—0. Lloyd Williams tallied three touchdowns to lead the

Braves.

The Braves took the road for the second time to meet area rival Madeira. The Braves thwarted frequent Mustang threats to win 24—0. Lloyd Williams again scored three touchdowns to lead the Braves.

The Milford Eagles invaded the Indian Hill field to find the Braves in command from the first play, when Jim Rollins galloped 54 yards for the first of his two tallies. Others contributing touchdowns were Lloyd Williams and Dave Vogt to hike the score 36—8.

The Braves invaded the new Sycamore stadium to spoil the Aviators perfect record. The Braves defeated the city's highest scoring team by a score of 6—0 with Lloyd Williams earning the lone touchdown.

Although a share of the championship was at stake, the team could never get sustaining momentum and bowed to the Tigers, 14—12. Meeting traditional rival CCDS for the last time, the Braves swamped the Indians by a score of 48—14.

BRAVES WIN RECOGNITION

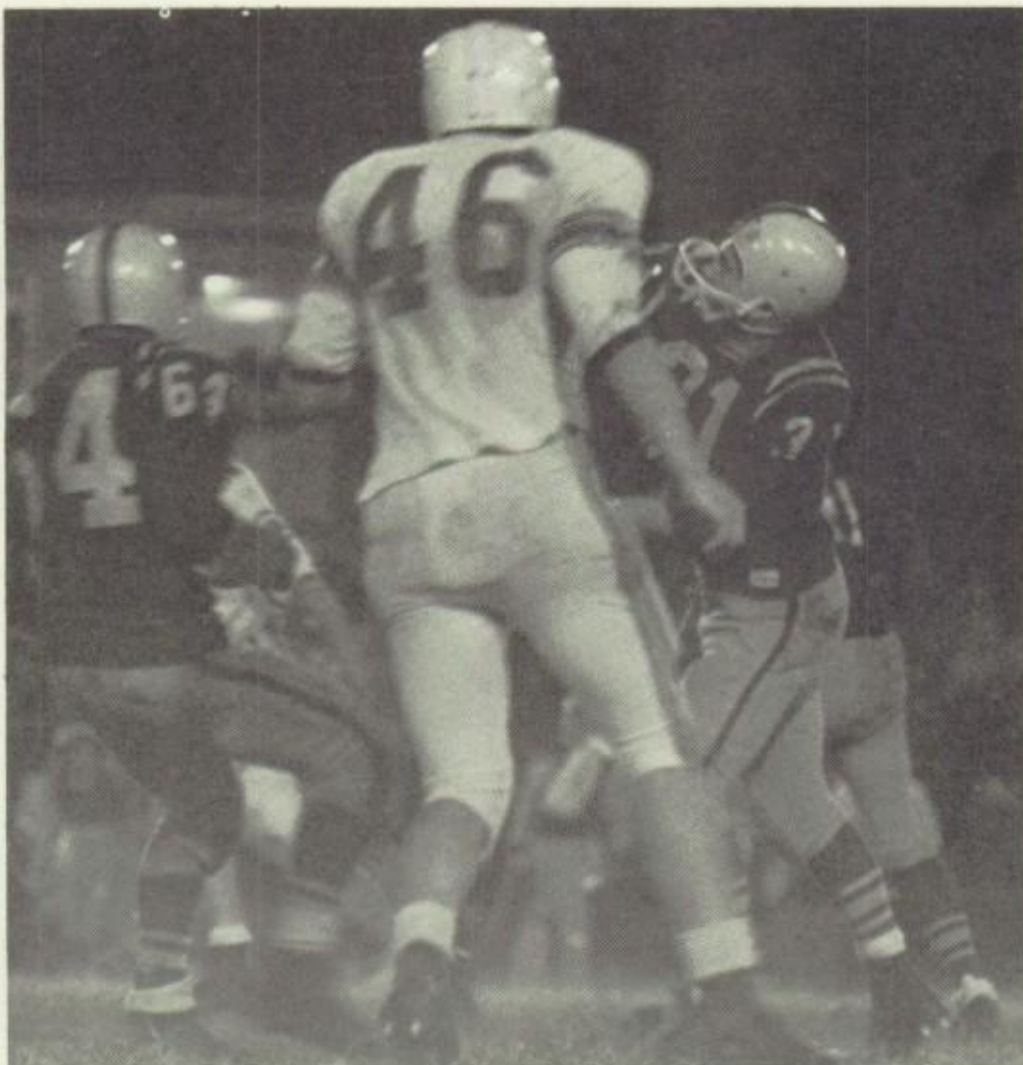

Indian Hill has many reasons to be proud of this year's varsity football team, for not only did they have a winning season, but also several members were chosen for area All-Star teams. Lloyd Williams, Steve Muzzo, and Rick Brand represented the Braves on the Eastern Hills League All-Star team.

The Braves were also well represented in All-City selections, with Rick Brand and Lloyd Williams on the first team, and Steve Muzzo on the second defensive squad.

Mr. Clark was also honored, for he is now serving as vice-president of the coaches association in Southwestern Ohio.

The most distinguished individual honor came when Lloyd Williams was chosen to play in the Ohio High School All-Star Game. It is not only a great tribute to Lloyd, Mr. Clark, and the other coaches; the whole school has reason to be proud. No longer can we be denied as a football power, for under Mr. Clark, football at Indian Hill has finally come of age.

FOOTBALL HOMECOMING

During the week before Football Homecoming the Junior Class conducted elections to choose a queen, her court and attendants. The queen's name remained secret until the half-time ceremonies when Judy Campbell was crowned queen. She was attended by Seniors Sandy Anderson, escorted by Jim Jagers; Coralinda Cobbe, escorted by Terry Price; Lynn Grimsley, escorted by Greg Hammer; and Janice Jorgensen, escorted by Gary Hartman. The Junior attendant was Vivian Robinson; the Sophomore representative, Kay Knight; and Sue Torrens was the Freshman attendant.

BASKETBALL

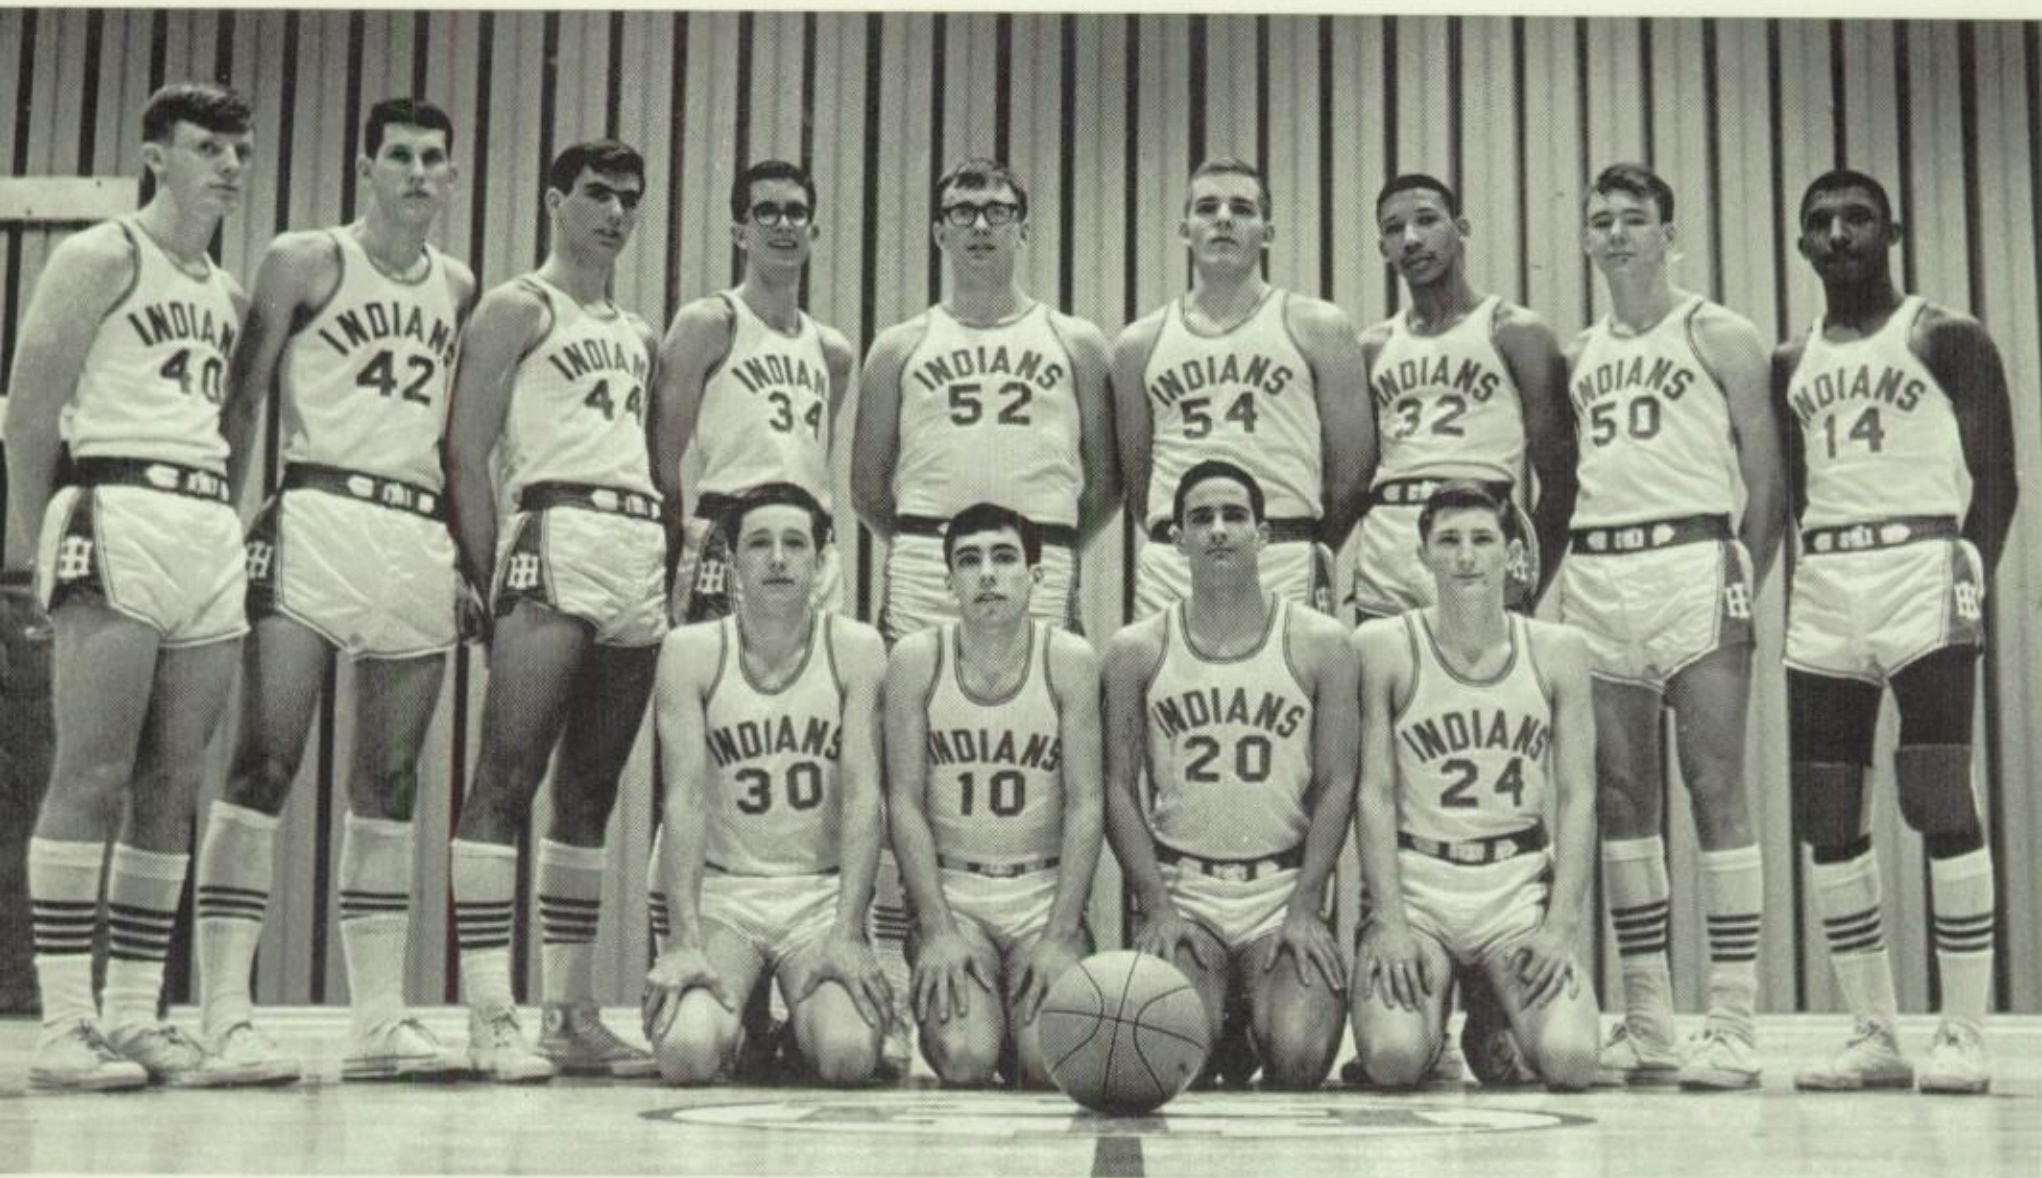

In his first year as coach of the varsity Braves, Mr. Kinney led the team to a winning season and clinched a tie for third place in the Eastern Hills League. Led by experienced seniors Lloyd Williams, Rick Brand, Dexter Zaring, and Steve Muzzo, the Braves finished with a 10—8 season and an 8—6 league record.

Mr. Kinney's formula for victory was to develop an air-tight defense. Indian Hill was consistently among the top five teams in total defense in Cincinnati and tops in the EHL. The Braves complemented their defense with the precision shooting of Steve Muzzo, Lloyd Williams, and junior Lou Fiore; and the strong rebounding of Rick Brand, Dexter Zaring, and sophomore Donny Williams.

The result was one of the finest showings in recent years.

BASKETBALL HOMECOMING

During the half time of the Indian Hill-Madeira basketball game, Senior Michele Connor was crowned 1965 Basketball Homecoming Queen. Mr. Sailer crowned Michele, while Jim Rollins, president of the Senior Class, presented her with the traditional long stemmed roses. The Queen and her court watched as the Braves defeated Madeira by a score of 64 to 62. After the game, the Senior Class sponsored the dance held in the school cafeteria. The theme of "The Days of Wine and Roses" was carried out in the decorations and the music. The Continentals played for the Queen and her court.

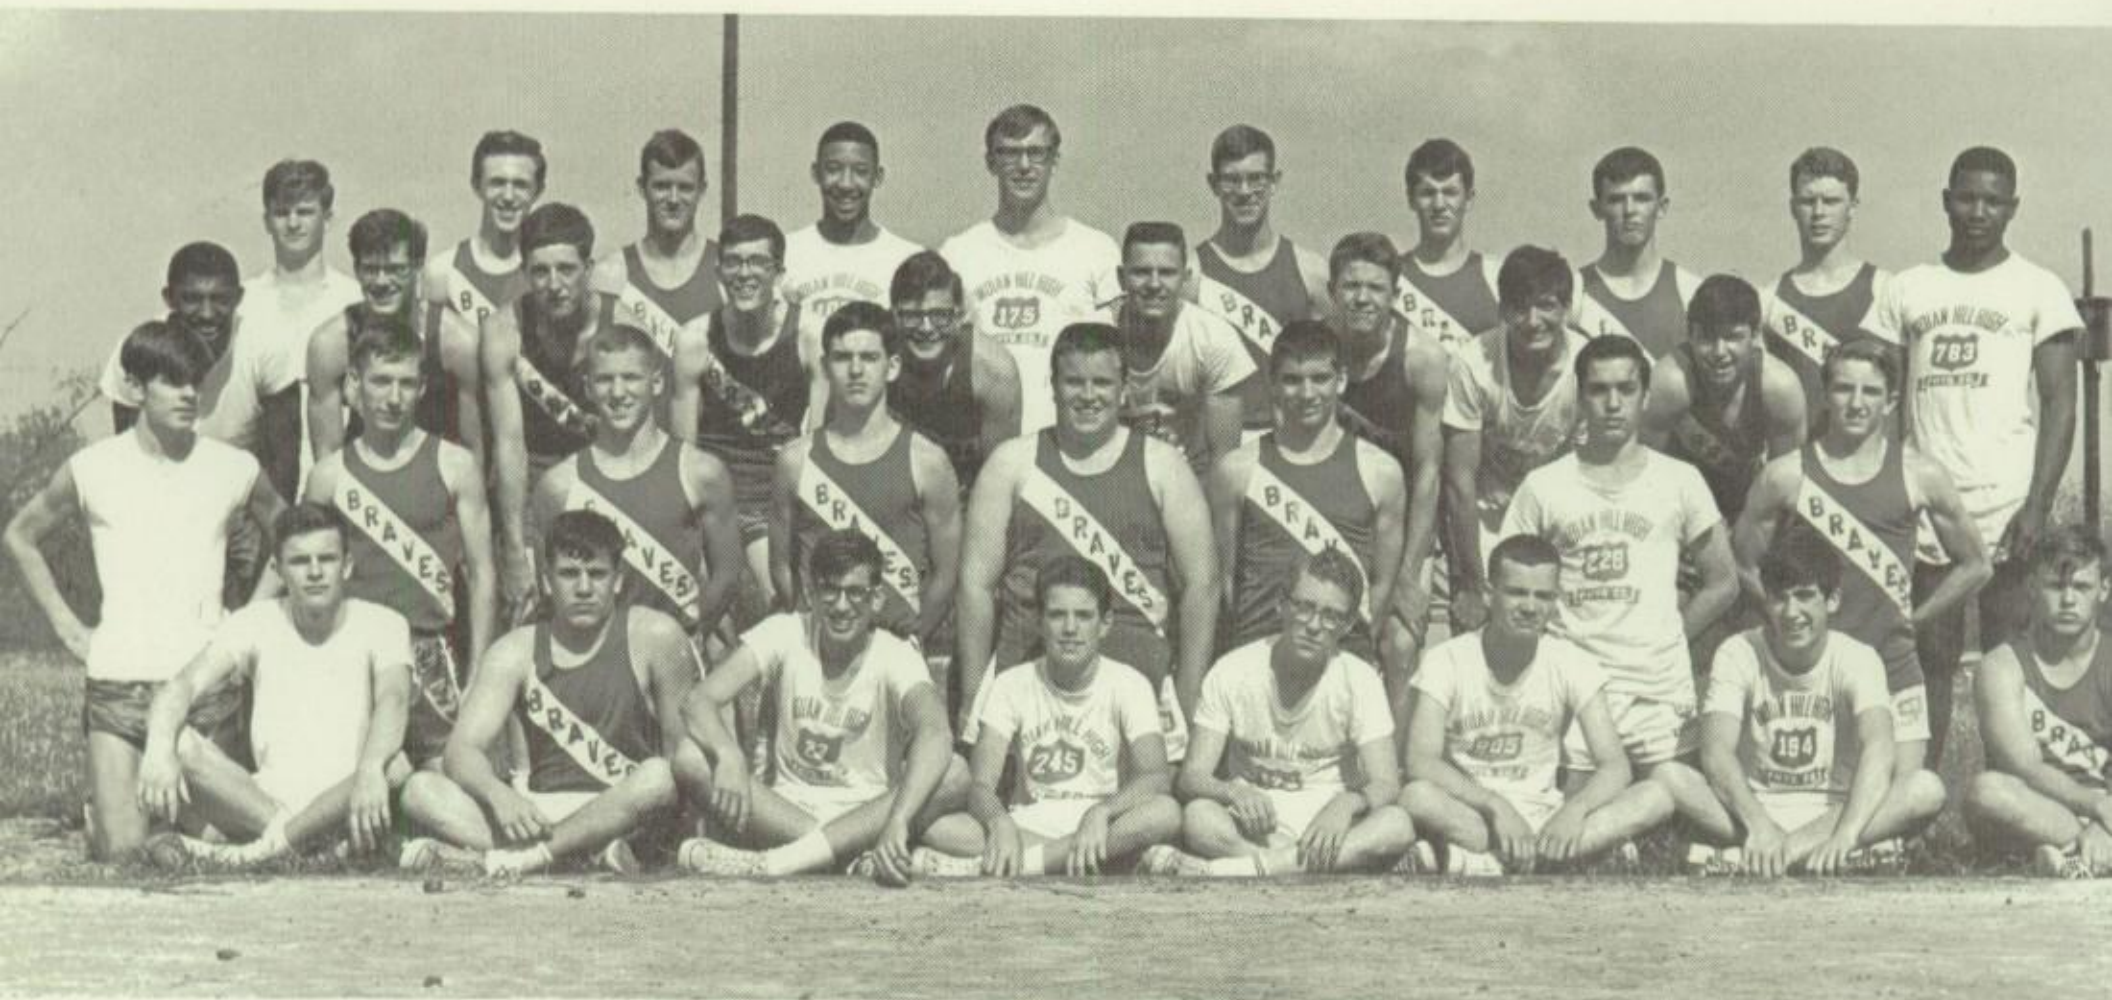

Michele, escorted by Steve Kern, was attended by Pat Carter, escorted by Jeff Corcoran; Martha DeBra, escorted by Randy Mayne; Susan Koch, escorted by Joe Camp; and Gail Spatta escorted by Bob Giesse. The Freshman Class was represented by JoAnne Smith, escorted by Scott Hamilton. Dave Mock escorted Sophomore Debbie Mehas, while Bob Morrison escorted Junior attendant Barb Burns.

TRACK

Indian Hill's track team finished its season with a fifth place in the E.H.L., yet, owing to many fine individual performances, more school records were broken this year than in any previous year. School records were set in the high hurdles by Rief; in the mile relay by Fogg, Smith, Dreibelbis, and Griffin; in the high jump by Don Williams; in the discus by

Bladh; in the broad jump by Turner; and in the pole vault by Tiedge and Sterling. The Braves finished second in a triangular meet with Milford and Goshen; second in a meet with Madeira, Loveland, and New Richmond; second in a quadrangular meet with Norwood, C.C.D.S., and Finneytown; and first in a dual meet with Deer Park.

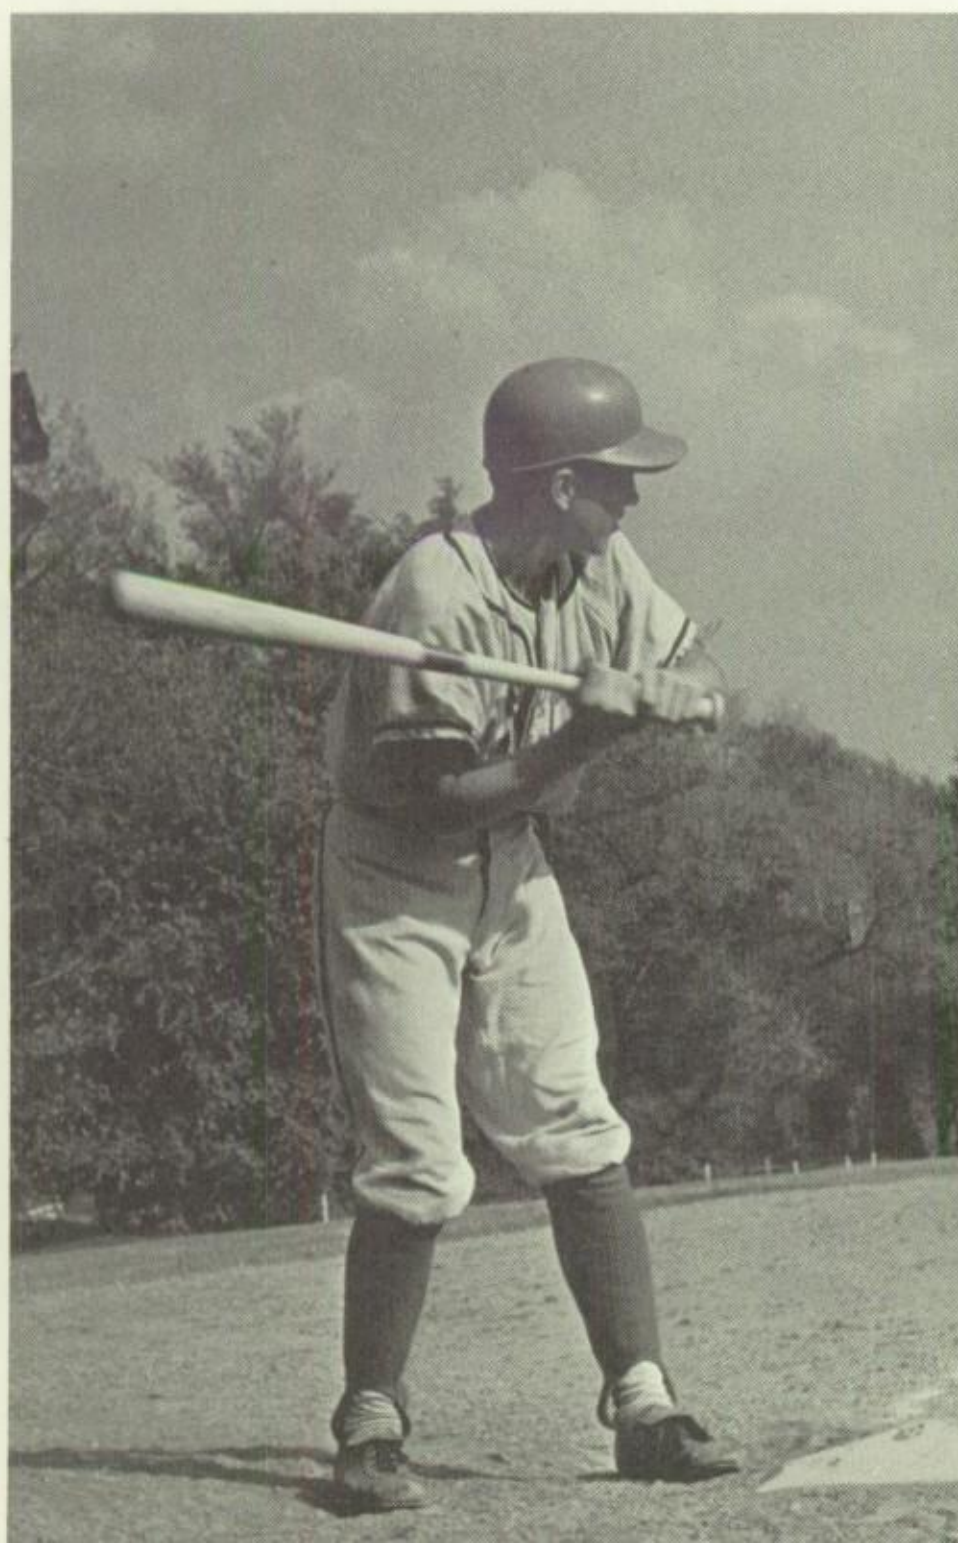

Jim Eversol digs in at the batter's box.

BASEBALL

This year's varsity baseball team finished the season with an all even record of six wins and six losses, one of the best in recent seasons. The high point of the season was playing in the Cincinnati District Tournament. Indian Hill advanced to the quarter finals, defeating both Taft and Aiken. The Braves then lost to Roger Bacon. Both Jim Rollins and Cal Long aided the team with their powerful hitting while Gary Stowell was the team's most powerful pitcher. Mr. Robert Martin was the team's coach.

The Junior Varsity also finished the year with an all even record of five wins and five losses. However, several of these games were extremely close, lost in extra innings. Also the JV Braves defeated the league leaders, Milford, and the previously unbeaten Sycamore team. Dale Cramer was the team's strongest hitter while Dick Judd was the most capable pitcher. Mr. Woehler was the team's coach.

SWIM TEAM

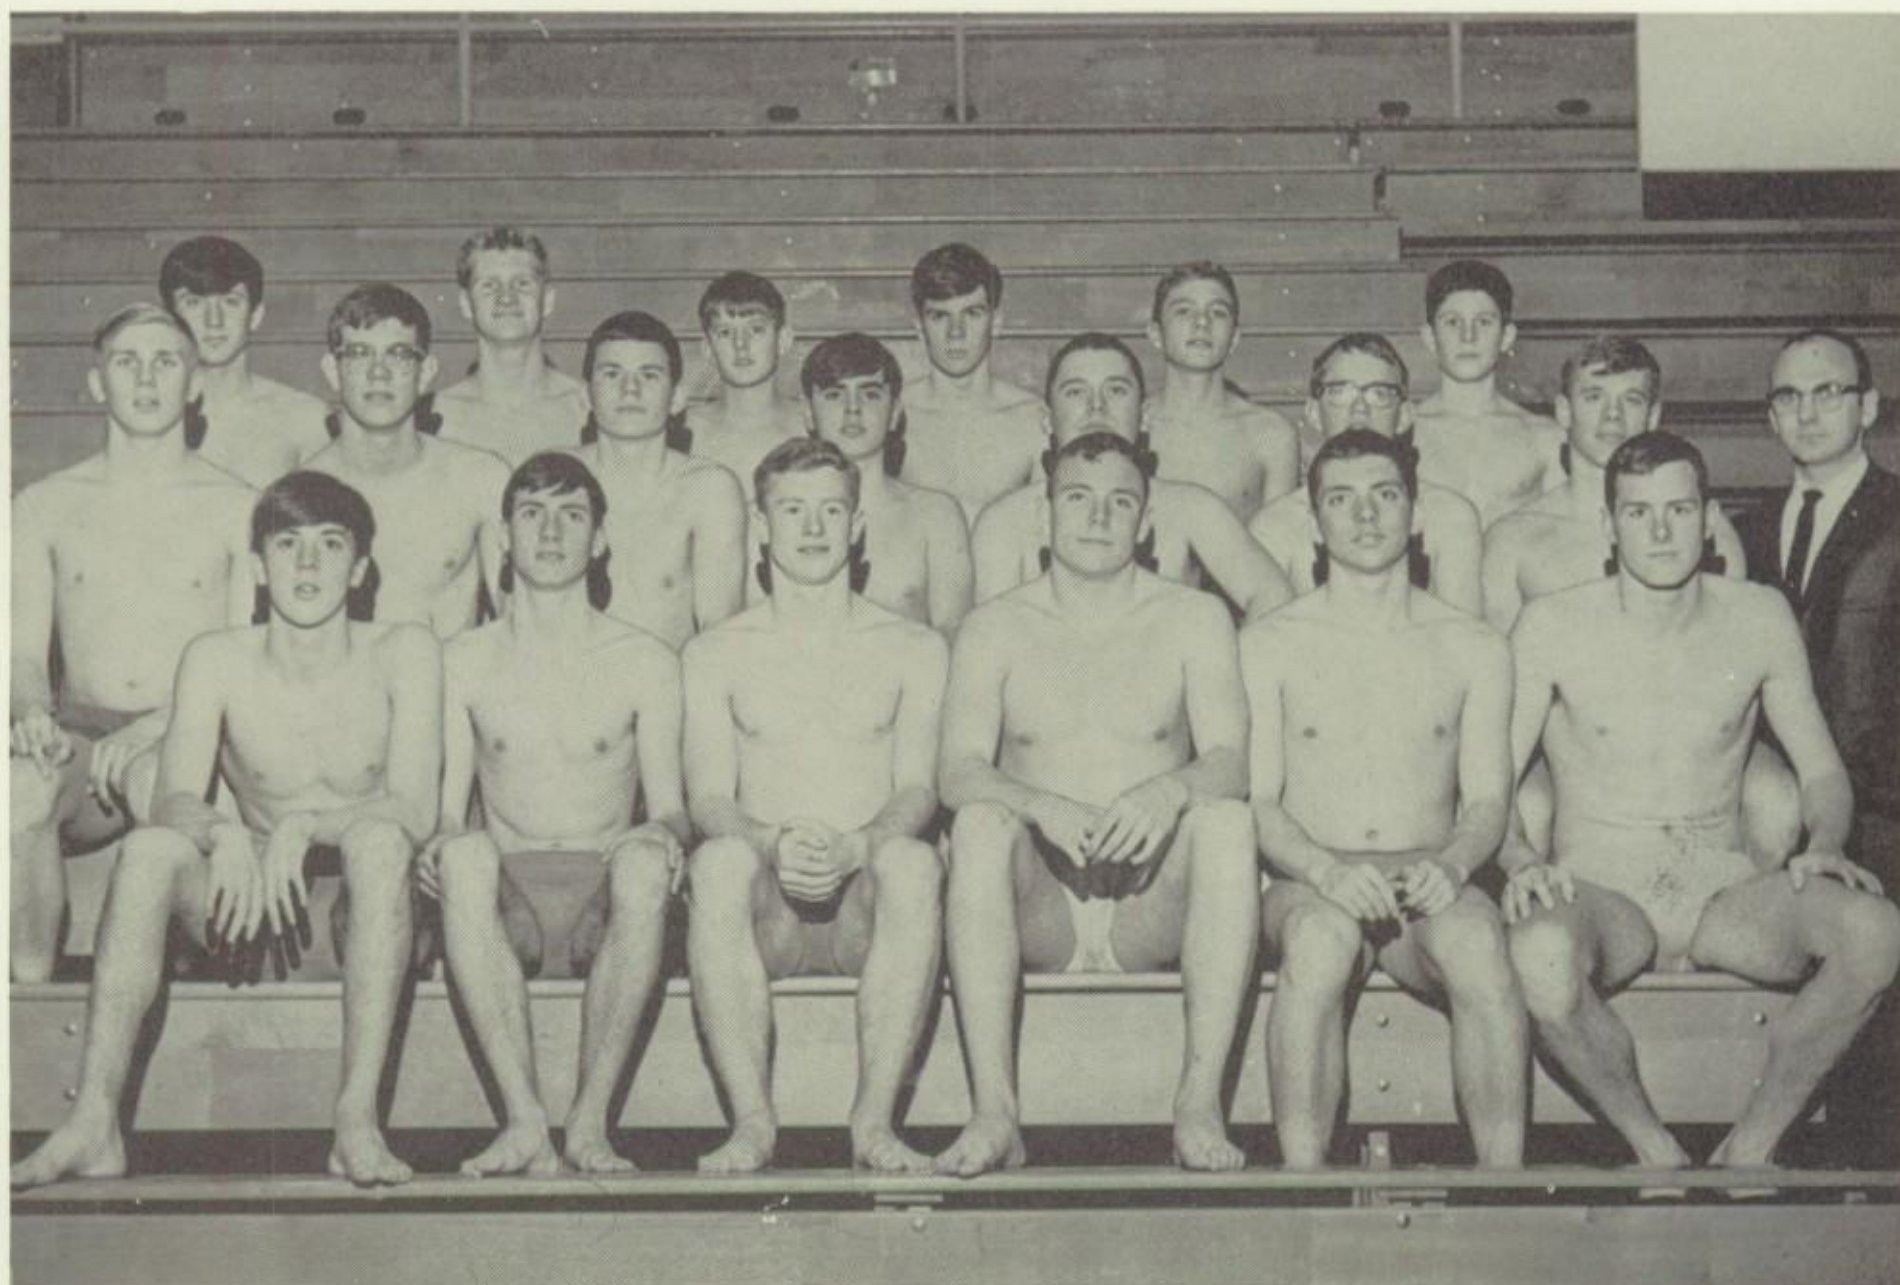

An innovation this year in the Sports Department was the Swim Team, commonly known as the "Underwater Braves." The highlight of the season was sending five members of the team to the state meet in Columbus. At this meet Skip Bullard qualified for the breast stroke competition and finished sixth in the state. To reach the state meet, the team members first had to qualify in a district meet at Aiken. Skip Bullard placed first in the breaststroke and Jerry Edwards was fourth in the butterfly. The medley relay team of Skip, Jerry, Steve Fogg, and Mike Mossman placed third in the qualifying meet. Coached by Mr. Mattox, the team was undefeated in dual meets and finished with a season record of 10—4. They were never defeated in the 100 yard breast stroke. Throughout the whole season Skip Bullard was undefeated in individual meets. Under captain Jerry Edwards, the team set eight pool records at Anderson.

TENNIS

Under the coaching of Mr. James Mann the Indian Hill tennis team compiled a 10—3 record in overall competition. The Braves suffered their only losses to Bellevue, Princeton, and the traditional rival Country Day. Joe Camp, Lou Fiore, Chris Dugle, and Gary Hartman played singles while Gary Wald, Dave Bosken, Kirk Gruenwald, Jack Ambrogi, and Glenn Biggs made up the doubles teams.

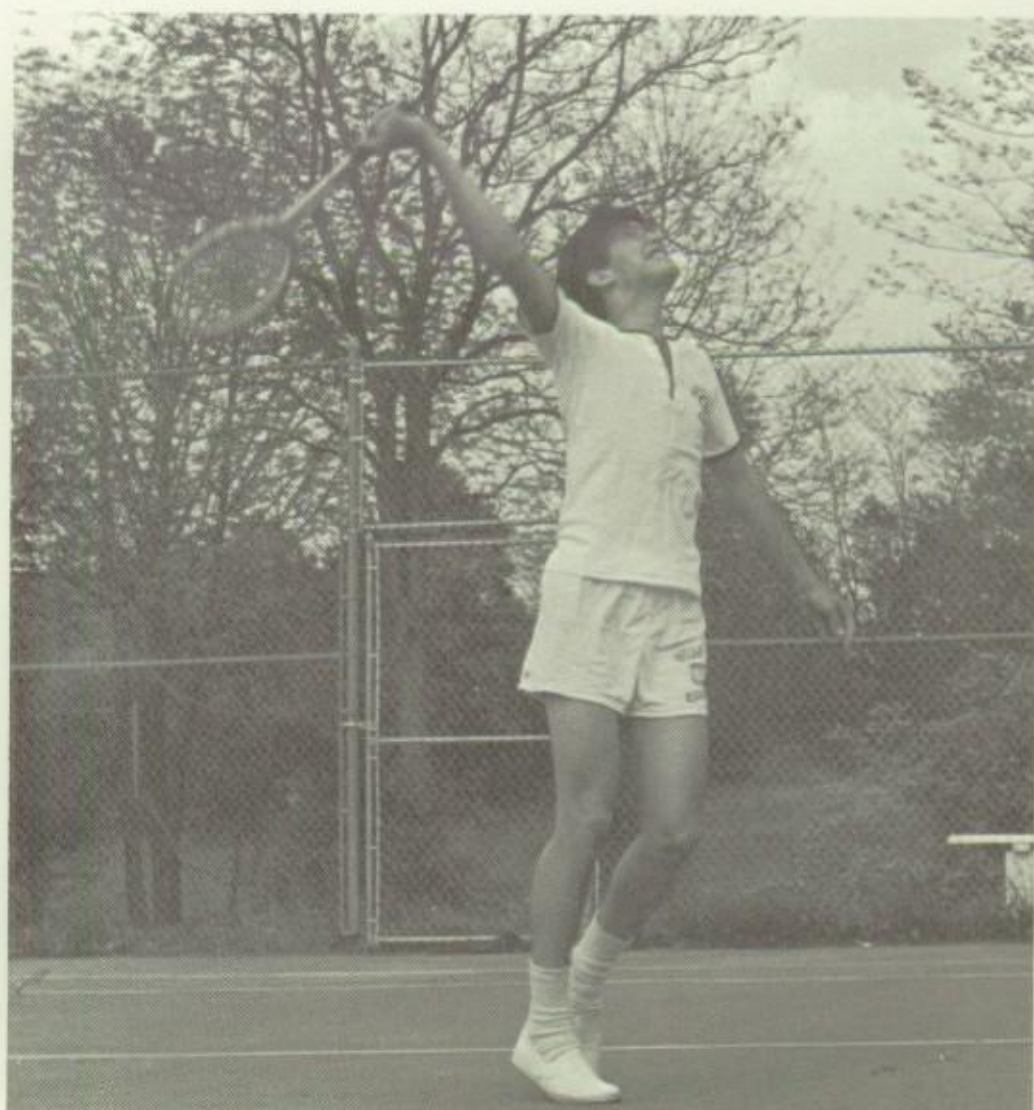

For the second year in a row the I. H. tennis team won the E.H.L. tennis championship. The Braves finished the season undefeated in league play sporting a 4—0 record. At the E.H.L. tournament the Brave raquetteers dominated the play and captured the top singles spots and also won the doubles finals. The E.H.L. singles honors were taken respectively by Lou Fiore and Joe Camp, and the doubles by Gary Wald and Dave Bosken. In the District tournament the Braves made a good showing, advancing one singles player and a doubles team to the quarter finals, and another singles, Lou Fiore, to the semifinals. However, no entry was able to go on to the state tournament.

GOLF TEAM

RIFLE TEAM

Indian Hill students may be proud of their fine rifle team. In the past three years, or forty-five matches, the team has been undefeated in league competition. In individual standings several team members also gained recognition. George Rank was the Ohio smallbore Junior Rifle Champion. Bill Stewart, Adam Holterhoff, and Gary Diekmeyer were league leaders in individual scores.

This year was the first year for an intermural rifle team at Indian Hill. There were both prone teams and position teams of varying numbers. Adam Holterhoff and Melissa Hauch were the high scorers.

BOWLING TEAM

For the second year Indian Hill High School sponsored intermural bowling teams for both girls and boys. The teams played every Monday at the Kenwood Bowling Lanes. Mr. Frank Gallenstein and Mr. Paul Mattox alternated as the teams' sponsors. In the boys' league, the Surfers, with a 28 to 5 record, were the winning team. Ray Radcliffe had the highest average while Dave Stubbers recorded the highest series. Mike Klein had the highest game. In the girls' league Sandy Fischer led the Idiots to a 26 to 7 season. Cathy Bertele compiled the highest average. Sandy Fischer rolled the highest series, and Holly Smith tallied the highest game.

The Junior Varsity Hockey team, coached by Miss Shelton, had a very successful season this year. Their total record consisted of four wins and two tie games. This team, composed of freshman girls, showed speed and ability and in all probability will be a strong team in the future. This year's captain of the J.V. was Holly Heigerick.

HOCKEY

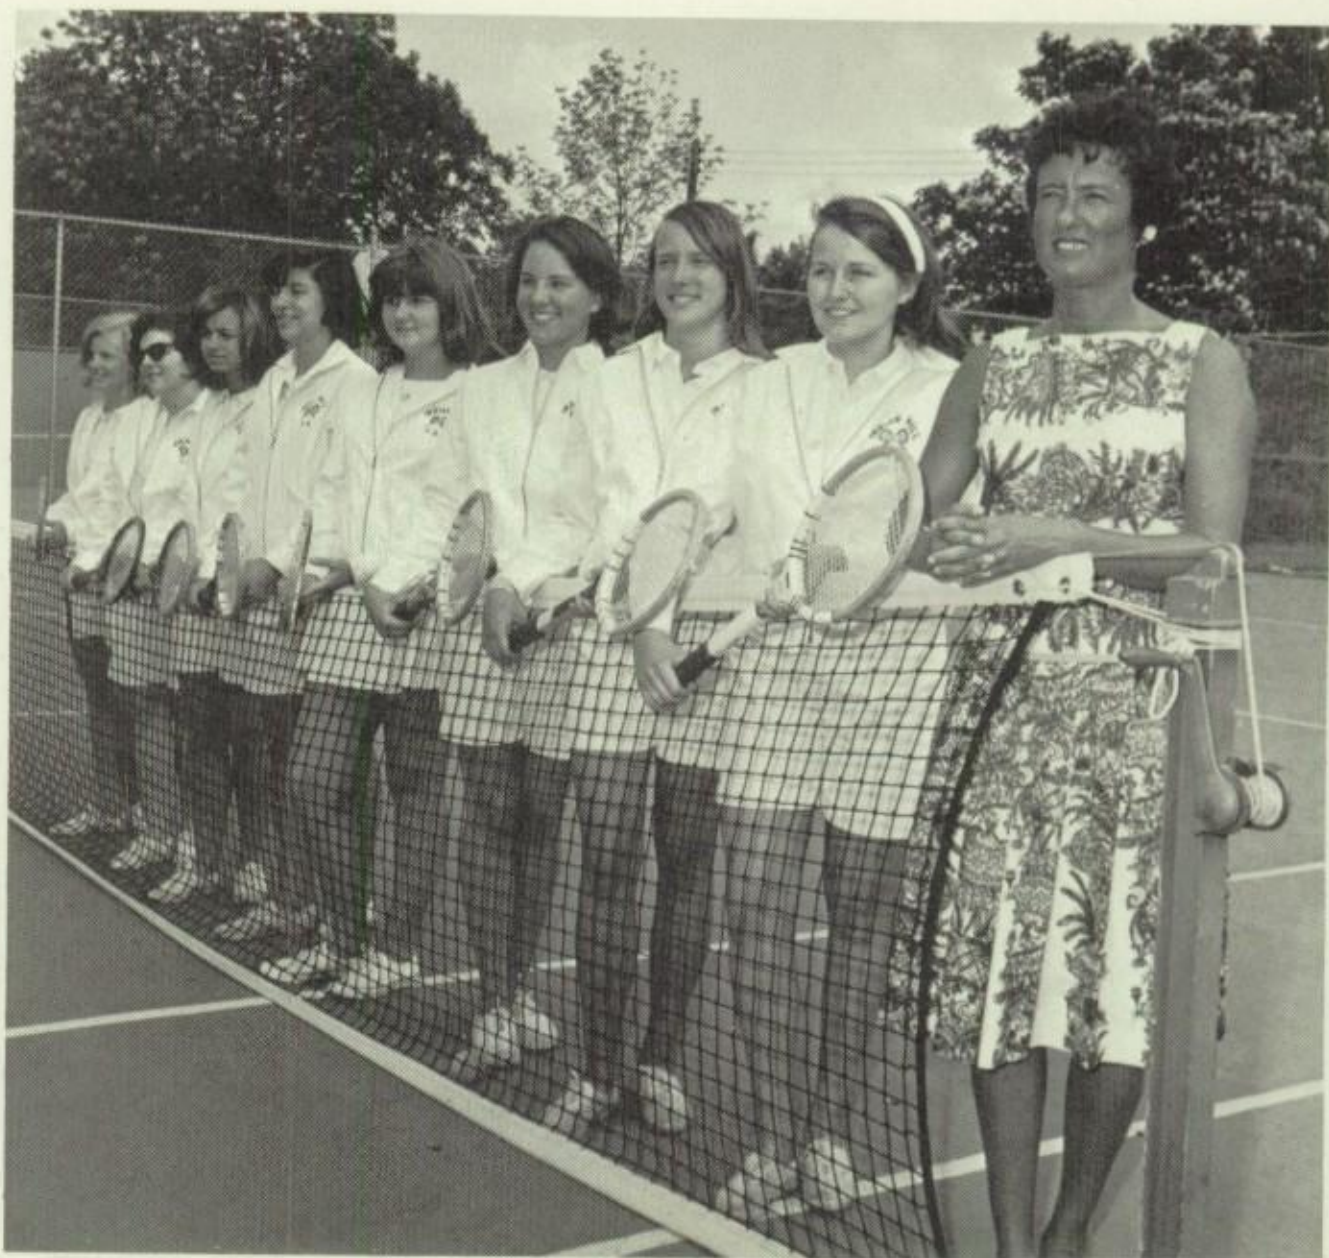

The Varsity team, although not as successful as the J.V., ended their season with three wins, three losses and one tie. Despite this mediocre record, the Varsity played better than ever before because of the increased amount of team-work among the players. Cheryl Schmidt and Sue Todd were co-captains of the Varsity team.

K. Klotz, N. O'Leary, S. Torrens, L. Riecks, C. Stowell, L. Gellenbeck, R. Carr, S. Nethercott, D. Mehas, H. Heigerick, P. Ventress, C. Gieryn, and Miss Shelton.

TENNIS AND GOLF

Tennis Team members included Donna Tuke, Julie Doscher, Sybil Allen, Cindy Stowell, Marcia Hatch, Gale Carstarphan, Laurie Riecks, and Barb Isaacs, with Miss Shelton.

Golf team members were Cindy Sibcy, Pam Burdsall, and Linda Bertelsen, with Mrs. Bursiek.

One of the most competitive individual sports is tennis. For actual matches, with other schools, there were only a few positions to be filled on the team. Therefore, members competed among themselves for these positions. This year the tennis team used a "ladder" system in which a member challenged the girl in the position ahead of her. Thus, the girl playing second singles could challenge the girl playing first singles. This year's team, coached by Miss Shelton, had matches with teams including Mariemont, Bellevue, Highland Heights, and Hillsdale. The team will miss its two retiring "Seniors," Julie Doscher and Karin Mehas, next year.

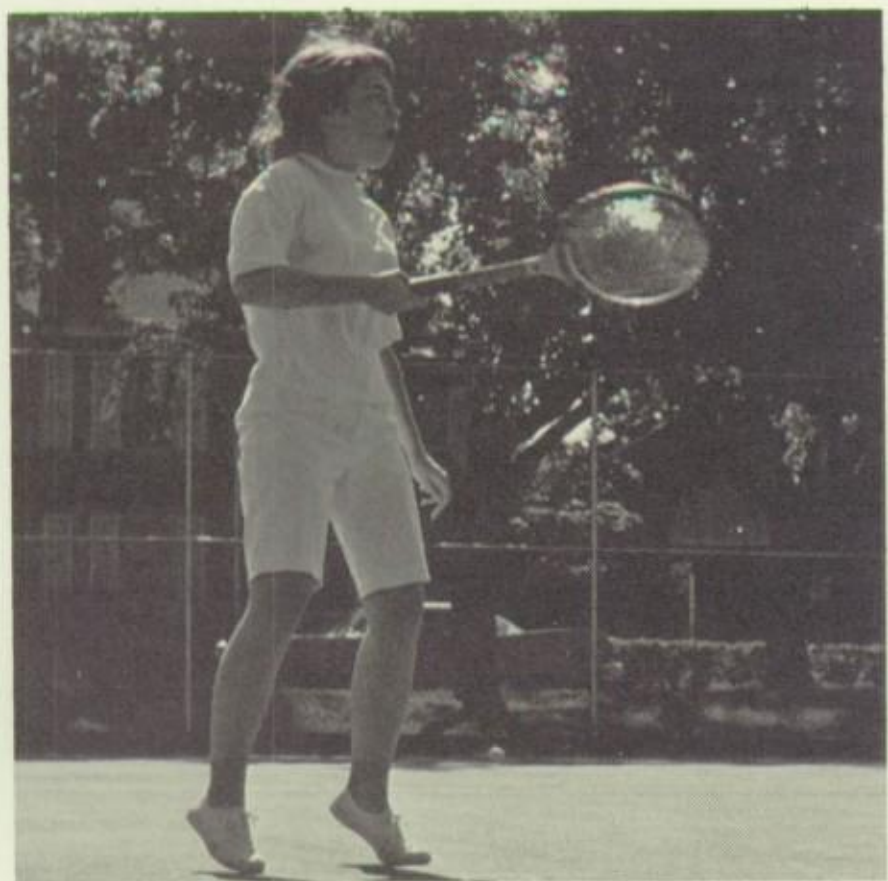

For the first year Indian Hill had a girls' interscholastic golf team. Coached by Mrs. Bursiek, the team consisted of four girls—Seniors Pat Hamilton and Cindy Sibcy, and Juniors Pam Burdsall and Linda Bertelsen. Because this was their first year, the girls had few actual matches. However, they did play practice rounds at the Camargo Club.

GIRLS' BASKETBALL

The 1965 Girls' Varsity Basketball team, coached by Miss Shelton and co-captained by Cheryl Schmidt and Kathy Baylis, compiled an all even record with four wins and four losses. However some of these games were extremely close, lost by only a few points. The outstanding performance of the year came with the last game played with Sycamore.

Rising above a losing streak, illness and injury,

the girls came on strong to defeat their worthy adversaries with a 21 to 16 score in an exciting fight to the finish.

The Junior Varsity team, co-captained by Mary Hern and Carolyn Natchioni finished the season this year with a very fine record of five wins and three losses. These girls showed the potential and winning ability needed for next year's victories.

This year members of the girls' track team participated in various events at several area track meets. These included hurdles, the 100 yard dash, the 50 yard dash, the 440 relay, the discus throw, the high jump, and the running broad jump. A special event in which Indian Hill girls participated was the half mile.

The track team had two meets this year. In the first one, with Princeton, Indian Hill placed second. In an invitational at Hamilton Garfield, the girls' track team received the runner's-up trophy. A third meet was scheduled but had to be cancelled.

Coached by Miss Shelton, the team included several outstanding members. Diane Torrens was exceptionally good as a runner. Laurie Connor was both a strong relay runner and an able hurdler. Bonnie Schmidt, Anne Marquess, and Cindy Mossman did very well in the half mile. Julie Matherly led the team in the running broad jump.

The cheerleaders at Indian Hill served the important function of arousing school spirit among the student body. Besides their obvious activity at the basketball and football games, the cheerleaders had a variety of other duties. They made posters, helped to plan pep assemblies and the fall bonfire, and organized pep buses to games played at distant schools. They worked diligently at the cheers because cheerleading practice began in June and continued until the last tournament in March. This year there were two varsity squads. Anne Marquess, forced to resign because of health, was replaced by Judy Edwards.

OLYMPIC DAY

This year the Student Council sponsored the traditional Olympic Day. Most of the students and a few of the more daring faculty members wore bermuda shorts in honor of the day. The first events were interclass contests. These included a relay race, an egg tossing contest, races, and a pie eating contest. The Juniors won the eight-member relay race. Sue Torrens and Wayne Robinson won the egg toss contest for the Freshmen class. John Hendrickson, ably fed by Sue Todd, won the pie eating contest for the Seniors. The Class of 1965, for the second consecutive year, won the most points in the competition. The next event was the usual tug-of-war over the pond. Not all classes participated, however, for the freshmen and sophomores broke the rope. This tug-of-war was followed by the Faculty-Senior baseball game which the Seniors won.

POW-WOW

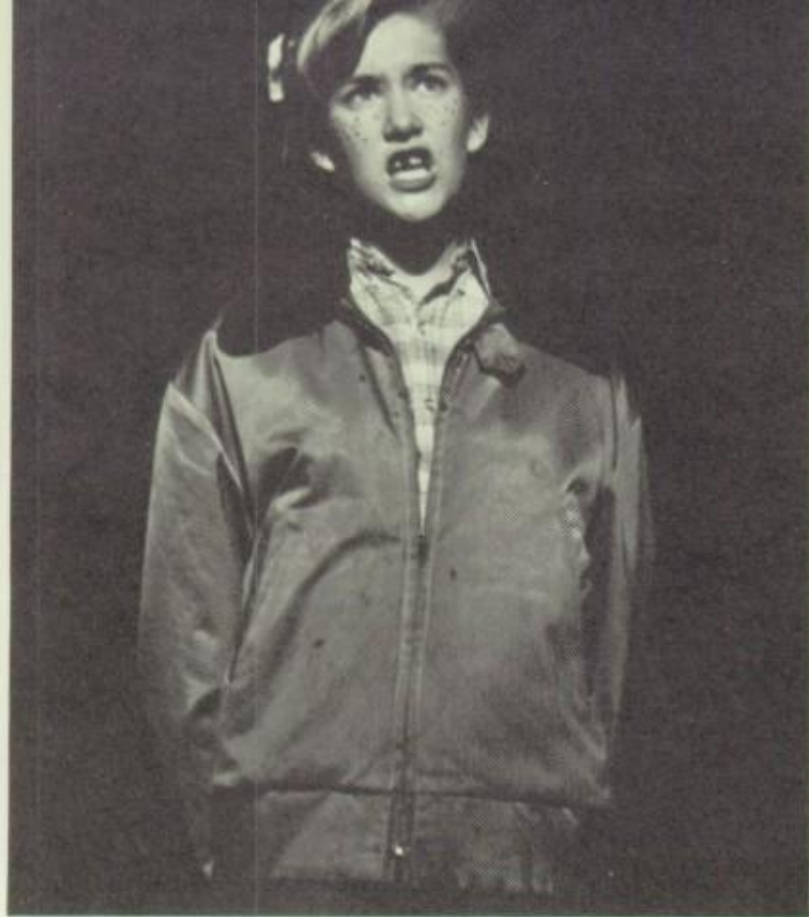

The lights dimmed, a sudden hush fell on the crowd—then, the drums rolled, the trumpets blared forth a thrilling fanfare, the curtain opened, and Pow-Wow '65 began. Everyone had been waiting for this moment. The precision chorus, under the direction of Coralinda Cobbe, spent months learning dances and developing precision. The band practiced to produce the mellow blend that it is famous for. Hours of hard work were spent in "Swing Choir." The people in continuity grew hoarse trying to "throw" their voices, and specialty acts worked hard too. Bob Minturn and his stage crew did wonders to our gymnasium changing it into a large stage, and we also had a superb lighting crew. Mr. Snapp and Mr. Kincaid were the faculty advisors.

Linda Carrelli took a "Sleigh Ride."

CONCERTS

Sue Todd sang a solo.

The music department sponsored two concerts this year. The Winter Concert centered around the theme of Christmas and the New Year. The choir and band performed separately and then combined for the final selection, the "Hallelujah Chorus." The Christmas theme was dramatized by Mr. Kincaid and skits from the Dramatics Club. The band also showed highlights of their trip to New York.

The Spring Concert took the place of the Music-Awards Dinner. The band played several selections portraying teen age life while the modern dance group performed. The Choir and Glee Club sang songs from popular musicals. The Awards program followed. Clem Scovanner received the Sousa Award and Penny Pope received the Arion Award.

Mr. Cox directed the Glee Club at the Christmas Concert.

Mr. Cox, Mr. Snapp, Chorus, Glee Club, and Band performed Handel's "Hallelujah Chorus."

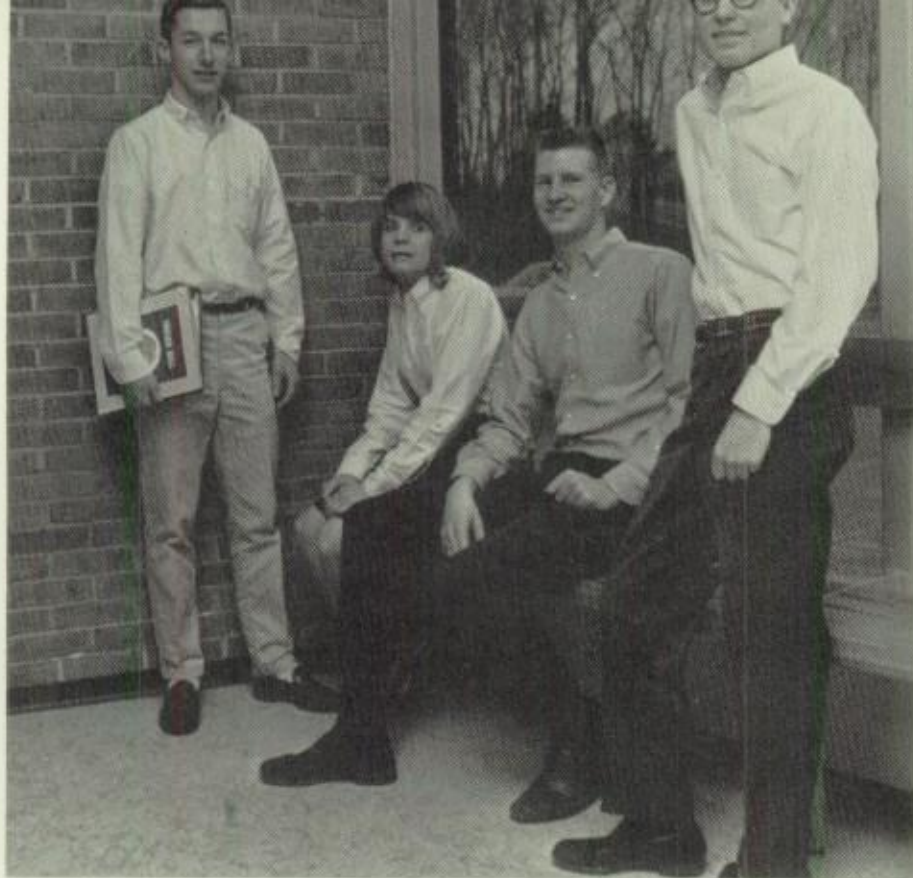

Underclass

men: *Potential for Discovery*

For this year's Junior Class, 1965 was a very busy year. They began by winning the Student Council sponsored Spirit Contest. At Christmas the Class sold candles. The Juniors also published and sold school directories. Throughout basketball season, the Class sold concessions at all the home games. The Juniors also sponsored an ice-skating party for all the members of the class. In May, the Juniors held the Junior-Senior Prom in the Roof Gardens of the Sheraton Gibson Hotel. Mr. Powers served as class sponsor.

For the members of the Freshman Class, 1965 has been a special year of discovery. They have become accustomed to a new school—the customs, surroundings, and routine. Like every other class, the Freshmen conducted several money making projects. At Christmas time the Freshmen sold candy. The profit they made from the candy sale will be used in many ways in the coming years. During intermission of the Pow Wow the Freshmen were in charge of refreshments. The Freshmen also had their own basketball team coached by Mr. Gardner.

MESSAGE FROM THE STAFF

Reversing tradition, we have decided to end the 1965 *Legend* with a message from the staff rather than the customary note from the editor. Our reasons for this innovation have been twofold. First, we wish to acknowledge the many hours which this year's editor, Coralinda Cobbe, has dedicated to this publication. The job of *Legend* editor is one of the most demanding in the school. The editor must co-ordinate all the activities of the various staffs including layouts, copy, production, subscription, and advertising. The final responsibility for the publication rests with the editor. Through some unhappy coincidences, deadlines always seemed to fall in the middle of Pow-Wow or just when a term paper was due. Coralinda, active in all facets of school life and an outstanding student, nevertheless was self-sacrificing enough to give up her valuable time to work on the *Legend*. The staff wishes to express their appreciation of her leadership and co-operation.

Our second reason for breaking with tradition is that we feel that the *Legend* is the culmination of the efforts of many people, all essential to the final product. Without the help of typists, copy writers, advertising salesmen, and layout artists, it would have been impossible to produce the 1965 *Legend*. Thus, we all feel that although the editor-in-chief has worked very hard, it should be the privilege of the entire staff, everyone who has contributed to the publication, to present the *Legend* to you, the readers.

Also, there are several other people who deserve particular recognition and thanks. Pat McKenrick and his associates Al and Joe have been extremely willing to provide pictures, sometimes with very short notice. Bruce Hock, an Indian Hill student, has capably filled in when the professional photographers were not able to come. Mr. Vorpe, representative of the American Yearbook Company has provided willing assistance. The staff also wishes to thank Mr. Cass Denton, the faculty adviser of the *Legend*. He has given up many lunch hours and warm dinners to help us when necessary.
